

June 2018

NEWSLETTER

We are OUTSTANDING!

We are so very proud to be able to report in our June newsletter that we are officially graded Outstanding by the Diocese of Leeds! This is a very rigorous process that in many ways mirrors a full Ofsted inspection.

Throughout the Inspection, there is a focus on Collective Worship, Religious Education and Catholic life. The inspectors were deeply impressed by our RE results which are amongst the highest in the Diocese. Incidentally, the Diocese of Leeds is over 400km² and covers 86 parishes.

The Inspectors very much wanted to know about our plans for college improvement and how we plan and assure student progression. We were judged on how we served the common good and promoted community cohesion. College governors came under close scrutiny also and were found to be instrumental in the strategic planning and support for the College. I am just going to take the opportunity to put in a few selected quotes from the report.

'Pupils like and value their school where pupils from different cultures and religions are able to be part of this Catholic community, living daily together as one happy community. Pupils appreciate the benefits of belonging to All Saints Catholic community and, actively participate in the school's mission. Pupil behaviour is outstanding around the school.'

'The school's behaviour for learning (BfL) and SEN department consists of a committed team who work very effectively to ensure that all pupils are included and their needs addressed.'

'Leaders and Governors are fully committed to the Church's mission in education. They undertake their respective roles with energy and enthusiasm and see the continued development of the Catholic life of the school as the number one priority.'

This is all fantastic news for the College going forward.

We are full in terms of our student population in Year 7; we will be full also within the coming Year 7 and have a waiting list and our new premises are very nearly completed. As we approach the end of the year, we are really excited for the future. Team All Saints is on its way – onwards and upwards!

Ms Colligan

SUMMER CAMP

We are offering a Multi Sports Summer Camp at All Saints Catholic College for students aged 11-16 years, during the following weeks commencing:

- 30th July 2018
- 13th August 2018
- 27th August 2018

There are limited places available and the cost is as follows:

- 1 day £15
- 3 days £36
- 5 days £55

Places can be booked online via the following link:

www.provisionsports.co.uk/holiday-club/

SPORTS LEADERS

A group of Year 9 and 10 students have been taking part in a Level 2 sports leaders award this year. The course is designed to help students develop their leadership skills in a sporting context. Skills that have been looked at include; Planning sporting activities and sessions, communication skills, body language, structuring tournaments and effective leadership styles and techniques. The young leaders are now working towards the final part of their assessment by planning a sporting event for other younger members of the school to take part in. This will serve as the final part of their assessment and will include all the skills that have been worked on and developed throughout the year. Watch this space for the sporting event they design, implement and review.

NETBALL

The Year 10 Netball Team had the opportunity to represent All Saints at a netball tournament at Shelley College on Wednesday 16th May 2018.

The tournament was against 6 other schools in Kirklees and the girls played fantastic and worked really well as a team.

They finished 4th overall - well done!

Mrs Robinson

GENERAL DATA PROTECTION REGULATION

Data privacy has never been more important, and the new regulation came into effect on 25th May 2018. The new law is built around the principles of transparency and control. For schools this will mean reviewing the processes by which personal data is collected, stored, transferred and deleted.

Among other things we have updated our privacy notice to include new information such as the lawful basis on which the school will process data. This can be found on the school website.

In addition to the new privacy notice, parents will be asked for explicit consent for certain things, such as photographs of their child. Parents can change their mind on any consent previously given simply by contacting the college.

For more detail on the changing requirements please refer to the updated school policy or visit the website of the UK data protection regulator, the Information Commissioners Office [\[https://ico.org.uk/\]](https://ico.org.uk/) which has a wealth of information and resources.

University Piano Recital

On Monday 11th June 2018, three of our students were selected to perform at the Musica Kirklees Piano Evening Recital at the University of Huddersfield. The students performed excellently and impressed the audience and the performers and teachers from other schools. There will be a chance to hear these students and other students at All Saints perform in future concerts so keep an eye on the school website for details.

Instrumental and singing lessons are available in school, please contact Mrs Sidwell in Music for details.

SUMMER SWAP SHOP

We are running a Summer Swap Shop in the Learning Resource Centre. Students will be given the opportunity to donate books between Monday 2nd July 2018 and Friday 13th July 2018.

Every book will be exchanged for a Swap Shop Token which students will be able to exchange for a new book between Monday 16th July 2018 and Friday 20th July 2018.

The Swap Shop will be open during break and lunch times.

Welcome Ms Thomson

My name is Ms Thomson (Assistant BfL Co-ordinator) and I am the newest member of the Behaviour for Learning team.

I am thoroughly excited to get started and help the students be successful. It is within my role that I supervise the students predominantly at break and lunchtime, which in turn means I can uphold the College values in dealing with the students and reaffirm the outlook that we love and serve as a community.

I am really happy to be part of Team All Saints, and looking forward to working together with staff and students.

Ms Thomson

BREAKFAST CLUB

The finance department have been able to secure funding for a Breakfast Club from Huddersfield Town Football Club. The funding will provide the school with 15 free breakfasts a day in the Star Centre. We are starting this project small with a view to increasing the breakfast numbers if required.
