NEWSLETTER

Welcome the second edition of our All Saints Community newsletter.

As you may be aware the Diocese of Leeds paid us a visit last week to assess our provision and were impressed with what they saw, witnessed and experienced. Students were exemplary in every way and were able to articulate every aspect of the Catholic life of College. They also spoke highly of Team All Saints and our pastoral care and guidance. We will give further details when we have them.

I would like to congratulate all staff and students who had anything to do with our College production High School Musical as it was a resounding success and was very well-attended for all three nights. Thank you for supporting us with ticket and raffle sales especially the Lourdes raffle on the 3rd night.

Our grounds are really taking shape and by September we feel that you will really impressed by our premises and our whole environment for learning and sport.

The weather has improved dramatically and we will be outside engaged in athletics as soon as the groundsman can finish the outdoor areas. This year we hope to share our sports day with some Year 5 pupils to prepare them for the transition to All Saints.

Philosophy and Ethics

The Philosophy and Ethics club was launched for Year 9 students after Christmas and is proving popular with students who are interested in life's "Big Questions" and those who are thinking of studying Philosophy further at A level.

All Year 9 students are warmly invited to attend the club which runs in F26 3.20pm-4.10pm every Wednesday with Mrs Horsfield.

HIGH SCHOOL MUSICAL

The cast of High School Musical at All Saints Catholic College pulled out all the stops for a spectacular performance on Wednesday 25th, Thursday 26th and Friday 27th of April. After six months of hard work in rehearsals, the students gave a fantastic performance with many from the audience commenting on the professional standard shown by the cast and crew.

The big number of 'Status Quo' wowed the audience with a slick and polished dance routine and excellent singing – before one of the lead characters had a cake splattered all over her, much to everyone's entertainment! The finale song, 'We're All In This Together' had the audience clapping along and left them wanting more. It really was a show to remember – full of colour, fun and a host of talented young people.

FUNDRAISING

We are very pleased to have raised £1209.03 which has been split between the following charities:

- Samaritans Purse
- The Royal British Legion
- Macmillan Cancer Support
- Kirkwood Hospice
- Forget Me Not Children's Hospice
 - CAFOD
- Good Shepherd Appeal

We are also continuing to raise money for our 2018 Pilgrimage to Lourdes and we would like to invite you all to our Promise Auction on Friday 15th June 2018 at 6.30pm.

All Saints played fantastic in the Under 12 Girls 5 a side Football National Finals and were crowned NATIONAL winners with a 2-1 victory in the final.

We are all very proud of what the girls have achieved throughout this year.

SCHOLARSHIP SUCCESS

One of our year 11 students Nathan, has been awarded a scholarship to attend college and play soccer (football) in America! We are so proud of Nathan and the fantastic future that lies ahead of this determined young man.

Nathan has always been a fan of football and has wonderful memories of starting his career in Deighton with his Dad, soon enough his potential was realised and he was recruited to play for Huddersfield Academy. Unfortunately difficulties with funding meant that the academy had to close...but Nathan was determined to continue playing.

Nathan was invited for an interview at The Queen's Hotel in Leeds where he successfully impressed the panel and was told that he had been awarded a scholarship. Nathan is a shining example of hard work and determination, we wish him every success for his forthcoming GCSE exams and look forward to watching his incredible journey into the world of football.

MATHS MASTERY

Out of 250,000 students from more than 3,000 schools and colleges who participated in the Intermediate Mathematical Challenge in February, we have had a gold winner! One of our students not only got Gold but was invited to take part in the Kangaroo Olympiad! We also have silver and bronze winners.

I am most proud of our winners and ecstatic at getting a gold!

Behaviour for Learning Team

Mr Helliwell (Behaviour for Learning Manager)

I would like to take this opportunity to introduce myself as the new Behaviour for Learning Manager at All Saints Catholic College!

This is an exciting time for the school as we have entered into a new building, which will inevitably enhance the students experience and help them fulfil their dreams and aspirations whilst being a part of Team All Saints. It is the team spirit, family ethos, and upholding of Catholic values that makes All Saints an amazing place to work.

As a community we have a focus on developing and being the very best we can be for the students in our care.

My job is to ensure that we achieve this through ensuring high standards of behaviour through a culture of respect for every one.

As a very hard-working team we aim to prepare everyone to face the future with confidence by making a positive contribution to the wider community as global citizens.
