Judged OUTSTANDING - Full Diocesan Inspection, 2018 "This school continues to be good." Ofsted 2017

3rd July 2020

Dear Families

Yesterday saw the release of the guidance on the full reopening of schools in September.

I am sure that you will be aware as it was given much media attention - even before the event, with much fanfare and speculation.

What is immediately apparent is that we have to roll our sleeves up and rapidly embrace change!

We are all keen to see our students back at school and engaging in their education. Time is short but please be assured that we will do our utmost to ensure we are compliant and ready in good time.

We know families may be cautious and that is completely understandable.

We are aware of the situation in Leicester and in areas closer to home. We have to appreciate that this is an evolving situation and we acknowledge that we must be prepared for all eventualities. This is the right ambition.

Senior leadership are ploughing through the requirements and preparing for the planning ahead.

As a community, I am confident we will get through this and reach the other side.

Thank you for your continued support and your understanding of the challenges we face.

God bless.

Ms K Colligan, Principal

St Peter and Paul

As I sit and write this week's reflection I am reminded that patience is a virtue - I don't actually need absolute silence to work in; when my daughter asks me a question, then another and another as she constructs the solar system on the kitchen table - I know that I will be able to return to my work shortly. As trials go it is more a minor inconvenience and I count my blessings that I am able to spend more time than usual with my children. The fact that they each tend to inhabit different areas of the house is also a blessing.

In considering the lives of St Peter and Paul this week we consider the great trials and tribulations they endured in the service of God and how many people in the present circumstances are having to bear their own crosses. In the midst of difficult times it is hard to remember that God does not give us more than we can handle, equally when we need Him the most we may often turn to questioning and blame. Suffice to say being virtuous towards others comes easier when we are not beset by our own troubles. There is hope for us though in the examples of St Peter and Paul: openly denying Christ and actively persecuting Christians before becoming the foundations of the Church.

And so as I wonder what today might bring to test my patience, I shall also ask myself how I might answer Pope Francis' reminder that:

"The Lord asks everything of us, and in return he offers us true life, the happiness for which we were created. He wants us to be saints and not to settle for a bland and mediocre existence.

The Lord has chosen each one of us to be holy and blameless before him in love."

God bless.

Mrs Rhys-Hill, Lay Chaplain

Prayer for strength

Dear Lord,

I come before you and ask for Your strength within me.

A strength not of the world but of Your kingdom.

To refrain from judgement and feast on love.

To push out greed and hold tight to joy.

To dispel pride and rise with humility.

To quell anger and rest in self control.

To shun greed and rest in giving.

To turn from power and embrace service.

To let go of resentment and rest in peace.

To push through fear and walk forwards in grace.

To run with faith, soar with forgiveness,

And allow your eternal strength to abide with me.

Amen.

RE Department

We have really been enjoying our lessons with Year 10, it has been so lovely to see you all.

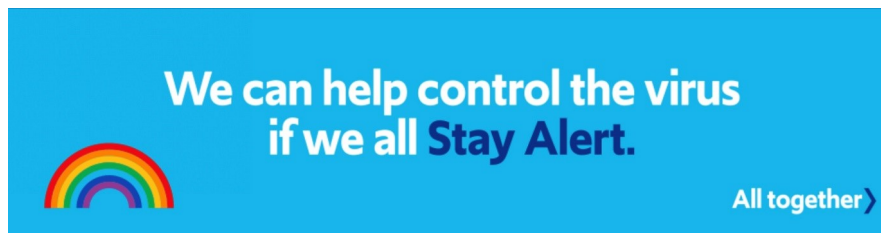

We have received some really positive feedback from students who are happy to be back in the school community. One student remarked how the sessions have given her a confidence boost.

All the material we are using for the sessions is on Moodle and so anyone who has not been able to attend can catch up with it there.

Yet again we have had some fabulous examples of work sent in from students; well done especially to Leo in Year 10, and Imani and Jadon in Year 7.

We received some very exciting news this week; Ben in Year 7 was invited to be involved with a podcast for the Diocese on the Gospel of Matthew. The podcast is available to listen to now on the Diocese of Leeds website under the subtitle Year of the Word. It can then be found under the title St Matthew's Gospel Unlocked; the whole gospel is available with Ben reading Chapter 8: 23-27 (Jesus stills the storm) which is about 4 minutes in.

We are all very proud of him, especially his Learning Tutor Mrs Horsfield and his RE teacher Miss Smith.

Music

'Hymns at Home: One Diocese, Many Voice',

If you like singing you might be interested in taking part in this fantastic opportunity. We have been asked by the Diocese of Leeds to take part in recording a hymn which will be broadcast on YouTube on Sunday 12th July.

There is a trailer for the event on YouTube
https://www.youtube.com/watch?v=o8UvLis_2Wo

To take part students are to record themselves at home singing the first and last verses of 'Christ be our Light'.

Once students have recorded themselves they should email the audio recording (no videos just audio) as an attachment to Mrs Sidwell ksidwell@aschc.com before 12pm on Tuesday 7th July.

Instructions, lyrics and the audio guide track are all on Moodle/Music/'Hymns at Home: One Diocese, Many Voice'

There is a practice video to help you learn this on their YouTube channel:
https://www.youtube.com/watch?v=_Z_snGnz-tg

If you need any help or have any questions email Mrs Sidwell.

Have fun singing!

A message from the Achievement Coordinators

This week we celebrate St Peter and Paul. When we think of these Saints we think of their service to God and people. They showed our virtues of courage, love and respect. At this time we have seen many people loving and serving others. The pandemic has meant so many are in need of support in so many ways. This time has brought the best out in some people; we are very proud that many of our students have been volunteering and helping their families and in the community.

If we were in school this next two weeks we would have been looking forward to events such as sports day. Please make sure you log on to the virtual sports day which has been extended into next week and complete as many challenges as you can.

Year 10 should have been attending college visits but as you already know these are being held virtually. We cannot stress enough how important it is for you to take these opportunities and register online. We do not yet know how visits will take place next year so please take advantage of these sessions as current Year 11 have found them very useful.

As there are only two weeks left of the current academic year, please make sure you keep logging on to Moodle and complete the work set from your teachers. Keeping up to date will make things much easier for you in September when we can all be together again.

Your teachers and achievement coordinators are currently busy writing your end of year reports. It has been really nice taking time to reflect on you all individually, looking at your achievements in school and while you have been working from home.

Remember to look after yourself and others. Be kind and stay safe.

UKMT Junior Challenge

This year the challenge has taken place online. We were a little worried how engagement would be with the lockdown in place, but were so ecstatic to see how many of our bright mathematicians from Year 7 and Year 8 have engaged with this challenge.

Out of the 60 places 48 took up the challenge and we wish them every success.

The challenge will be locked at close of play on Friday 3rd of July.

The results will be out in a few weeks and we hope to share the good news before the end of term.

From Us To You - A Big Thank You!

We just wanted to say we really appreciate anything and everything you as parents and carers are managing to do at home with your children!

Students will be able to access videos, information and taster activities to help them start planning their post-16 journey.

You can read more about the virtual tasters here: <https://huddnewcoll.ac.uk/news/2020-06-19-your-hnc-home-for-pupils-in-year-10>

Health, Safety and Wellbeing Safety Quick Share

Alcohol-Based Hand Sanitiser – Vehicle Fires

This quick share is to alert all colleagues to the potential fire risk in vehicles, caused by alcohol-based hand sanitiser. We have received a number of reports of hand sanitiser being the cause of fires when left in vehicles in the hot weather the UK is currently experiencing.

The alcohol hand sanitiser is becoming heated resulting in flammable vapours being released. These vapours are reaching their 'flashpoint' and then ignite in normal air conditions, setting fire to flammable components within the car.

This picture shows damage to a car as result of hand sanitiser fire

Product Details

All alcohol-based hand sanitiser products

What you need to do

Remove all alcohol-based hand sanitiser products from vehicles when they are not occupied, do not leave hand sanitiser in un-attended vehicles.

You should continue to use hand sanitiser as part of your hygiene routine where you cannot use soap & water.

Remember: hand hygiene is one of the most effective methods to stop the spread of COVID-19 following indirect contact (picking up the virus up by touching contaminated surfaces and objects).
