

Principal's Message

Newsletter Half Term 3 2020/21

Dear Families

It has been yet another eventful half term; we had just returned after Christmas only to be put in another national lockdown.

However, we took the opportunity to further develop our remote learning offer and to include live learning as a key part of it. Students, staff and families have been part of a technological and pedagogical revolution in teaching as a result of COVID-19. I would like to thank you for all your messages of support for us as we ventured into this new territory and shaped our offer to best suit our families. We are putting a survey out to gather feedback and also ideas as to how we can improve our provision further. We also hope that we have struck the right balance with our calls to families to check in with students. Again, you can let us know and we welcome your opinions.

It is worth mentioning that we appreciate families working with us to keep to a minimum the numbers of people in school for health and safety reasons. We have almost 3 times the number of students on-site compared to the national average for secondary schools and whilst we are making every effort to keep this number low, we do sincerely want to serve our community well in every way possible.

We are also very grateful to you all for keeping to the government requirements for lockdown and supporting our community in this way. We should hear by the 22nd of February the details of any stage of reopening from the 8th of March. We all know that this strongly depends on the COVID-19 data and the status of the vaccination rollout.

We will keep you all informed of any changes to our plans as soon as we can and we sincerely hope that we can have our family back together again in the very near future.

Warmest Regards

God bless

Karen Colligan

A reminder that school closes at the end of **Friday 12th February** for the half term holidays.

There will be no online learning set during the holidays.

For those families entitled to Free School Meals, vouchers for the half term week will be issued on **Monday 15th February**.

School reopens on **Monday 22nd February** for vulnerable and critical worker children.

Our Motto

Love • Serve • Learn

Our Mission

Our mission is to put Christ at the centre of our community.

In loving and serving God and one another, we encourage everyone to flourish through learning.

Our Focus Virtues

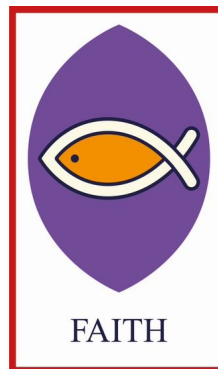

Virtues are qualities that we practise in order to help us become the best version of ourselves.

Love:
To do everything for God, for others and for self with kindness.

Service:
To work together for the benefit of everyone.

Faith:
To be guided by faith in all that we do, trusting in God.

Courage:
Doing the right thing even when it is difficult.

Respect:
To have respect for ourselves, each other and our environment.

All Saints Catholic College

Love • Serve • Learn

Our Ref. CLE/CTA

4th February 2021

Dear Parents/Carers, staff and students

It is now a full year since the first cases of COVID-19 struck Yorkshire and the rest of the UK, and who could have believed that it would become as virulent and as long lasting as it has.

The phenomenal efforts by our NHS to treat record numbers of patients in hospital deserves our utmost gratitude and the sad losses of so many people, some of whom may be family or friends of yours, can only be regretted. The amazing work done in record time by our scientists and those around the world now give us real hope that we can return to a more normal existence sometime in 2021.

In particular, this will mean a return to having our students in school, with their friends, at the earliest opportunity and resuming their education in the classroom with all the support that being in school provides.

The purpose of this letter is, on behalf of the College and the Governors, to send our best wishes to you and your families in these unprecedented times and thank you for all the support you have given to your children and to the College in helping us to continue to deliver the curriculum in ways which are as new for us as they are for you. We continue to make improvements to this and hopefully the benefits can be seen and welcomed.

I would also like to thank our Principal and all her staff, both teaching and support, for their sheer dedication to the education of the students. Their wellbeing and safety is of paramount importance to us all and the regular testing regime now in place since January helps us to keep everyone safe.

There will always be concerns about safety and we currently have around 14% of the total roll in school on any given day so we stress the need to everyone to observe the Government guidelines on social distancing, use of facemasks where appropriate and the regular washing of hands. I would also like to encourage everyone who is offered the vaccine to take up that offer. I know that some people will be nervous about this but, as the Director General of the World Health Organisation recently put it, "we're none of us safe until we're all safe".

Thank you again for your support and please continue to have honest and regular contact in the usual way through the use of the College email – office@aschc.com.

Kind regards

Mr Chris L'Estrange
Chair of Governors

Prayer Intentions

Everyday we pray for our students, staff, families and the wider community.

If you would like to submit a prayer intention request so that we may join our prayers with yours, please email our Lay Chaplain at SRhys-Hill@aschc.com with the following information:

The name/names of who to pray for

The reason for the prayer

Your name (if you would like to include it)

Thank-you, Mrs Rhys-Hill, Lay Chaplain

*Dear Lord,
Bless us all as we pray together as a community
May we always know your love in our hearts
And your presence in our lives,
Amen*

Remote Learning

We are really pleased to see so many of our students actively engaging with their remote learning. We appreciate how difficult it can be for students to motivate themselves to work independently and we greatly appreciate everything parents are doing to structure the working day at home, and motivate your children to continue to engage with their learning.

All class work is being saved to class materials in Teams, you can see the work in weekly folders. All subjects are also now delivering live sessions across the two-week timetable. We are delighted with the positive feedback that we have received from students, parents and staff about the success of this activity. Parents, please continue to support your child to check their calendar at the start of the day to check when their live sessions are.

All documentation connected to remote learning can be accessed through the College website. If you require any further support, please do not hesitate to contact us.

Inspired to Generosity

All Saints community responded with generosity when called upon to think of those in need this winter, bringing in contributions of tins and packets of food.

Mr Barker's form 11A were particularly inspired by Marcus Rashford's call to make sure that school children did not go hungry in the school holidays. They all brought in tins of food which were gratefully received by the Welcome Centre for distribution in Huddersfield at Christmas.

Baby Gianna Appeal

Helping new mums was a focus for our Advent appeal again this year to support the work of Catholic Care through the Baby Gianna Appeal. Staff and students generously bought nappies, wipes, lotions and toys to be passed on to families. Staff also passed on clothing, blankets and even a Moses basket that they no longer needed for their own children. Mary in form 10K spent time crocheting baby hats to donate, making the most of her talents to help others.

Gianna offers confidential one-to-one support and advice to women and girls during and beyond pregnancy. The service is open to all, and is run by friendly, experienced and non-judgemental staff.

For more information about
Gianna services call
0113 388 5400

or email

info@catholic-care.org.uk

This is a confidential service.

Maths

United Kingdom
Mathematics Trust

United Kingdom Mathematics trust Pink Kangaroo Competition.

The Pink Kangaroo is a follow-on round to the Intermediate Mathematical Challenge. It is a 60-minute, multiple-choice competition consisting of 25 problems.

Several thousand qualifying UK-based students from the Intermediate Mathematical Challenge are invited to take part in the Pink Kangaroo. Entry to the competition is **by invitation only** and is based on a qualifying score, which is variable from year to year.

Tom in last year's Year 11 entered the UKMT Pink Kangaroo competition and achieved qualification status, we are really proud of his success.

On the 2nd February 2021 the following Year 11 pupils took part in the UKMT Intermediate Maths Challenge:

Louise
Adyan
Owen
Bartosz
Georgina
Jasminder

We would like to wish them every success in the competition and eagerly await results, which will be announced in early March.

Attendance

Thank you to parents/carers for continuing to support College with student attendance during the current lockdown period. Government guidance states that children identified as vulnerable, or who have one or more key worker parents, are

eligible to attend during lockdown.

However, government guidance is clear that if key worker parents are at home, they should keep their children at home with them as that is where they are safest. Parents/carers should encourage students to join every online teaching session made available to them and attendance at these sessions is being monitored. Teachers will contact students who fail to attend lessons.

If your child is expected in school, but is unable to attend for any reason, please follow the usual absence reporting procedures of contacting school by telephone on 01484 426466 Option 1, Parent App or email to attendance@aschc.com before 8.30am on each and every day with the reason for absence.

If it becomes necessary to alter the days that your child attends College during lockdown, please contact the Attendance Office as soon as possible to update and ensure that there is sufficient on-site supervision for all students in College.

Catering

Students in Year 7 and Year 8 were set a challenge to make a monster themed product

that will help lift the mood of someone and make them smile. The students had to feed their family and make them smile by creating Monster Food.

THE D+T MONSTER CHALLENGE

#2

EAT WELL

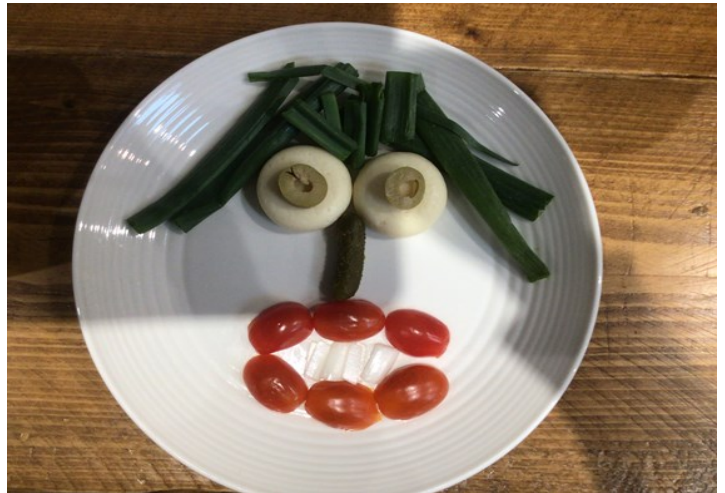

Feed your family and make them smile by creating **Monster Food**.

Remember to wash your hands and follow hygiene rules.

THE D+T MONSTER CHALLENGE

Core PE Update

Students are currently being asked to complete a series of physical activity challenges in the form of a bingo card. Students have to try and complete a row (in any direction) by doing the stated various physical exercise challenges. These challenges range from a 1 minute plank to online yoga classes.

Students are also being asked to complete a weekly log book on teams, giving an update of what exercise they have done and how long for. There is also the option to upload evidence of this exercise, this could be a screen shot from a run tracking app. So far the engagement from students with this has been amazing and we would love some more evidence to try and enable the PE department to put together a display of all the hard work and exercise students have been doing during lockdown.

ASCHC PE DEPARTMENT

ASCHC PE VIRTUAL PE CHALLENGE

COMPLETE AS MANY OF THE PHYSICAL EDUCATION AND ACTIVITY CHALLENGES AS YOU CAN, REWARDS AVAILABLE FOR COMPLETING ROWS/DIAGONALS/COLUMNS AND SPECIAL PRIZE FOR COMPLETING A FULL HOUSE (100 CHALLENGES)

@ASCHC_COLLEGE **MAXIMISING PARTICIPATION DEVELOPING EXCELLENCE** @ASCHC_COLLEGE

Music

Making music is more difficult at the moment but we are not going to let the lockdown stop us! All students that have instrumental and singing lessons with Musica Kirklees have been offered lessons on Zoom so that these lessons can continue. Also, some of our GCSE Music students have started rehearsals with the Orchestras for All - Modulo Programme. This is currently being done virtually but once it is safe to do so we will be joining with other schools on the programme to create a large orchestra to perform all together in Birmingham. Once we are back in school there will also be the opportunity for any other students in school who play an instrument to join this programme.

For our singers we have had some students take part in a project by the BBC to sing 'Any Dream Will Do' as part of a massed choir for a virtual performance of the music 'Joseph and the Amazing Technicolour Dream Coat'.

For our budding composers, Greenhead College are running a composition competition details are here:

Create your very own piece of music, in any style you want and submit it to music@greenhead.ac.uk by Monday 22nd February 2021.

The winner will receive a £50 Amazon voucher, and all entries will be put together to create an online concert.

Open to all students aged 18 and under.

Good luck!

Please contact Mrs Sidwell ksidwell@aschc.com if you are interested in:

- learning an instrument or having singing lessons
- more information about the current Musica Kirklees Zoom lessons
- more information or would like to join the Orchestras for All – Modulo Programme
- more information or help with entering the Greenhead College competition

Music is good for your wellbeing so keep listening to and enjoying music!

Art

Students are continuing to be creative during lockdown. Here are some amazing results from the Art and Photography department.

Ellie in Year 10's photography response to the theme 'Natural Forms'

Jess in Year 11's response to the theme 'Hands, Face, Space'

Mary-Anne in Year 11's response to the theme 'The Human Condition'

A page from Louise in Year 11's sketchbook in response to the theme 'The Human Condition'

DESIGN, BAKE OR DECORATE A MATHS THEMED CAKE

End of Term Maths Challenge

Remember to share photos of your masterpiece(s)
with your Maths teacher(s)

Deadline for entries is Monday 22nd February at 11.30am

YOU HAVE 3 CAKETASTIC OPTIONS TO CONSIDER:

Option One:

Not a baker? Design a maths themed cake.
Include an illustration and description of your
cake. Say why you chose your particular theme.

Option Two:

Like to bake? Bake and then decorate the maths
themed cake that you designed.

Option Three:

Creative but not a baker? Upcycle a shop-bought
cake or tray bake

Year 7

A message from Mrs Pickles and Mrs Pearce

We are so proud of how the Year 7 students are conducting themselves during their remote learning. We are impressed by those students who have gone above and beyond with their efforts.

Please continue to keep in contact with us here in school to let us know how you are getting on.

Online Vaccination Lecture

Vaccination with Prof Chris Whitty

When: Feb 10, 2021 from 6:00 PM to 7:00 PM

This lecture given by Professor Chris Witty will consider several aspects of the science and public debate about vaccines. Vaccination has transformed the outlook for many previously lethal infectious diseases. It has, however, caused controversy since its beginnings, even when used for widely feared diseases such as smallpox. For many infectious diseases we do not have a vaccine, and may never get one.

Vaccination is increasingly being considered for cancers, including ones with no infectious trigger.

This lecture will consider several aspects of the science and public debate about vaccines.

FUTUREGOALS

INFORMATION FOR PARENTS/CARERS ON CAREERS OPTIONS

As a parent/carer, we understand that you want to offer support to your child when they begin exploring their aspirations, but that can be easier said than done when everything is constantly changing! Young people entering the world of work now have an astonishing range of options available to them and along with this comes some huge decisions to be made.

This website has been designed to provide you with the information needed to begin having conversations regarding deciding their next steps.

<https://futuregoals.co.uk/parent-carer-resource/>

End to End Challenge

Miss Travas and Mr Neilly have challenged staff to travel on foot the length of the UK. They are hoping to encourage all staff to get out more, keep active and get some fresh air even on these cold winter evenings.

The idea is that as a team the staff walk, run or hike from John O'Groats. The run, walk or hike MUST be purposeful and not part of their normal day to day step. Keeping within the Government guidelines they started on the 9th January making good progress towards their target of 1407km. With onlykm to go and over 20 staff members taking part the challenge has been a success.

The benefits of getting out and moving include lowering blood pressure and increased mobility but there are far more that you may not consider. Many people feel less stress, improved self-esteem and overall improved mood. Reducing stress can help us heal quicker and sleep better as well as proven to reduce aging.

To find out more go to: mind.org.uk

Could you do something similar as a family or as a personal challenge? A family 100km in a month? Personal 20km a week for all of February?

LTC

LANDS END TO JOHN O'GROATS

Staff News

This term we welcome...

Dawn Fitton, Educational Teaching Assistant/Cover Supervisor—English

and

Darren Rowe, ICT Network Manager, will be joining us in March

School Bus Services

A reminder that the following bus routes have been suspended since 18th January 2021:

C79/ K61/ K67/ K68

First Bus, with effect from Monday 1st February, have also included the following routes to the suspension list:

K62/360 (please use X63 as an alternative service)

Severe Weather Information

Greatest Hits Radio West Yorkshire and Pulse 1 are the local radio stations serving the Kirklees area. Both radio stations provide a trusted source of information for local residents.

Greatest Hits Radio West Yorkshire and Pulse 1 have an online web service directing listeners to the appropriate source of information for their school. We will in turn be using these sources to provide us with the closure information we need to keep the Kirklees area informed.

Our bulletins contain local news, sport, traffic and weather information for life in Kirklees and the rest of West Yorkshire. On these mornings where severe weather conditions are impacting schools, we will have a strong focus on this information with frequent bulletins in our weekday breakfast programmes, followed by hourly local news and weather through the day.

Please check our website and listen on air for the latest information. Information regarding severe weather closure will also be available in Kirklees Council by searching for 'School closures', and on our website www.aschc.com. A message will also be sent to parents via Parent App. Please ensure you have access to this in the event we need to contact you.

Email communication@aschc.com to request joining instructions for Parent App.

SIMS Parent App

communication@aschc.com

SIMS helping schools inspire

The new SIMS Parent APP enables you to access real time information:

- Achievement
- Homework
- Attendance
- Update Data Information
- Access School Diary

GET IT ON Google Play

All letters, newsletters and notifications are now only being sent out to parents via SIMS Parent App. If you do not have access to this app please email:

communication@aschc.com

and joining instructions will be sent to you.

Local Welfare Provision -

<https://www.kirklees.gov.uk/beta/benefits/local-welfare-provision.aspx>

If you or your family are affected financially Kirklees may be able to help you in a number of ways. The only qualifying criteria are that the family lives in Kirklees.

They can:

Make referrals for school uniform support (free recycled school uniforms are also available from the Uniform Exchange <https://www.uniform-exchange.org/>)

Advise how to apply for free school meals <https://www.kirklees.gov.uk/beta/schools/free-school-meals.aspx> and school transport <https://www.kirklees.gov.uk/beta/schools/school-transport.aspx>

Make referrals for food parcels and / or issue a voucher for food or fuel

Advise on welfare benefit entitlements, including rent and mortgage payments

Advise on local and national COVID-19 assistance schemes

Advise on Council Tax reduction help

Please contact Kirklees Local Welfare Provision Team directly by Telephone 01484 414782 or email lw@kirklees.gov.uk

Free School Meals

Please be aware that we will continue to issue free school meal vouchers (FSM) to our eligible FSM students that are not attending school. The vouchers will be issued a week in arrears to ensure we capture all eligible students that have

not attended school. We will continue to issue the vouchers using the current supplier and method. If your child is eligible for free school meals but is attending school you will not qualify for a voucher.

For further information please click on the hyperlink below:

<http://help.wonde.com/en/articles/3843162-faqs-for-parents-supermarket-voucher>

If your circumstances have changed and you feel you may be eligible for free school meals please apply using the hyperlink below:

<https://www.aschc.com/free-school-meals/>

Lost Property

Please find a list below of all items currently held in our lost property box.

If any of these items belong to your child, please ask them to collect from Student Services before the end of Friday 12th February.

All unclaimed items after this date will be donated to Uniform Exchange as we do not have the facility to store lost items indefinitely.

LOST PROPERTY as of 10/02/21
Denim style black pencil case
ASCHC black hoodie, size small
Mountain Warehouse Pakka lightweight jacket, size 12
Navy sparkly girls coat, black fur lining, age 12
Black rain coat with poppers, size small
Star Wars, Clone Wars lunch bag
Peacocks black boys coat, size large
Silver coloured ring, with heart design
Clear pencil case with purple zip
Pick and black Gilbert football boots, size 7
Grey, black and orange knitted hat, age 11-13
Keyring with figure and door key
Keyfob with Disney Paris and Mickey Mouse
Huddersfield Giants waterbottle
Large waterbottle with pink/red cover
Light grey gloves
Single black trainer, size 7
ASCHC PE top, small

Please put names on all your child's belongings so they can be returned promptly to the right person. Thank you.

Uniform Exchange

Uniform Exchange helped 500 local children in 2014 with free school uniform packs & winter coats, recycling over 5000 items of good uniform!

Do you need assistance in sorting out school uniform for your family? If so message us through Facebook, let us know what you need and we will be in touch... and don't forget to LIKE our page!

Last winter Uniform Exchange collected and distributed 200 coats, shoes & accessories to local children! Can you help us increase that number by donating unused and out-grown coats, scarves, hats, gloves and footwear?

Need help? Want to help?

If you need assistance sorting out school uniform for your family visit the Uniform Exchange website: www.uniform-exchange.org/free-school-uniform/ here you will find a FREE school uniform request form, or visit their Facebook page - see below for details.

Do you have old school uniform at home that's too good to throw away? Donate items, as listed below, to help others in need.

Visit www.uniform-exchange.org/collection-points/ for information about drop-off points. NB - please don't bring bags to school as unfortunately we don't have the space to store them.

Confidence in School Uniform

Let's recycle together for our local Community!

Helping the community of Kirklees through Uniform Exchange

We recycle out-grown school uniform and pass it on to families who need help.

- Help us by bagging up any out-grown school uniform.
- Drop off points include your local Sure Start Children's Centres, Kirklees libraries, Sainsbury's Shorehead
- Go to the website for a full list of drop off points.
- All donations welcome, rags will be sold to support the project.
- We offer uniform FREE, if you need help go to the website for details.

- Socks
- Jackets
- Trainers
- Pumps
- Sports Kits
- Dresses

Supported by:

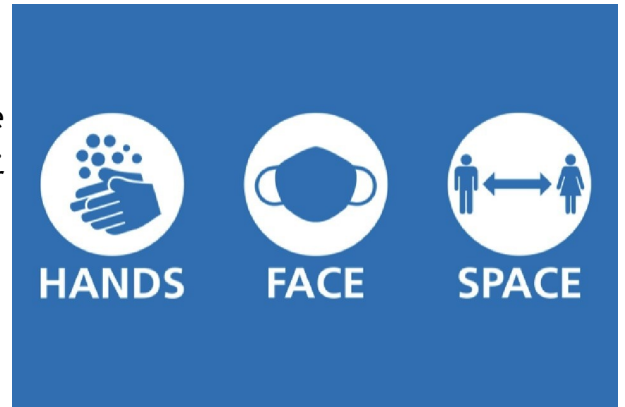

COVID-19

When should someone self-isolate?

Self-isolation is when you do not leave your home because you have or might have coronavirus (COVID-19). Self-isolating helps stop the virus spreading to other people.

Self-isolate immediately if:

- You have any symptoms of coronavirus (a high temperature, a new continuous cough or a loss or change to your sense of smell or taste)
- You are waiting for the result of a COVID-19 test
- You've tested positive for coronavirus - this means you have coronavirus
- You live with someone who has symptoms or tested positive
- Someone in your support bubble has symptoms or tested positive
- You're told to self-isolate by NHS Test and Trace or the NHC COVID-19 app
- You arrive in the UK from a country with a high coronavirus risk

When to get a test

Get a test as soon as possible if you have any symptoms of coronavirus (a high temperature, a new continuous cough or a loss or change to your sense of smell or taste.) You do not need to get a test if you have no symptoms or if you have different symptoms.

To ensure that we can keep in contact with families whilst they are self-isolating or contact parents urgently if a child becomes unwell during the day, it is vitally important that parent/carer contact details (telephone numbers, address etc) held by school are up-to-date. Please inform school immediately of any changes to these.

Absence reporting procedures

If a student is going to be absent, parents/carers are asked to contact school, either by ringing the Attendance Office on 01484 426466 Option 1 or by sending a message via the Parent App before 8.30am on each and every day of absence.

Face Coverings

Remember to bring a mask to school

We have been really impressed with the majority of students acceptance and continued support by wearing face masks in school at designated times.

We would like to ask parents/carers to please continue to support us by ensuring students wear a face mask to school, and also ask that students keep a spare mask in their school bag should they ever need it.

We are replenishing our stock of spare masks for emergency use, but due to having to give out disposable masks on occasions when a mask has been forgotten, this is becoming expensive for school.
