

Principal's Message

Dear Families

We approach the end of another half term with no less a challenge for our All Saints community. We have certainly felt the force of being a COVID hotspot in Kirklees and yet we have battled on, staff and students alike, to deliver/receive quality education amidst it all.

We have said goodbye to our Year 11s formally and continue to provide a blended offer to support them on their onward journey to the next stages of their careers. We are immensely proud of them all, how they have been so resilient and resourceful and worked with staff to secure the best possible outcomes for them each as individuals and as a collective. We have seen much team spirit and mutual support and feel they are well equipped for their next adventures in life. I would like to take this opportunity to thank staff and students for all extra time they have put in to support the collective effort for the Teacher Assessed Grades (TAGs) including giving up their Saturdays when needed. We are also immensely grateful to our families for all the support you have given us.

Face coverings are still required to be worn after half term, until the local authority changes guidance. I appreciate families ensuring our students have their own washable face coverings on a daily basis.

Next half term, we will be paying much attention to our new Year 6 coming up to prepare them for their own next big steps into secondary school and we will be assessing our work for the year as we firm up our school improvement priorities for 2021/22. We will never rest on any laurels and we know there is much work to be done to support wellbeing and lost learning. I believe we have recruited well to our staff team and that work is a key priority.

Furthermore, we are scrutinising our curriculum in the light of the experience of the past year to ensure it is appropriate for all. I thank the Governors for all their guidance, challenge and support and I feel we are steaming ahead at a good pace.

I look forward to updating you all in the coming term.

Warmest Regards

God bless

Karen Colligan

Half Term 5
2020/21

Half Term Holiday

Monday 31st May - Friday 4th June
School re-opens on Monday 7th June

Our Motto

Love • Serve • Learn

Our Mission

Our mission is to put Christ at the centre of our community.

In loving and serving God and one another, we encourage everyone to flourish through learning.

Our Focus Virtues

Virtues are qualities that we practise in order to help us become the best version of ourselves.

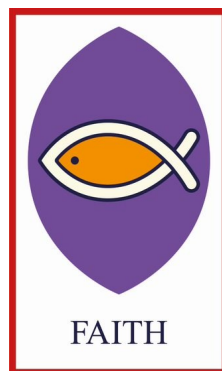

Love:

To do everything for God, for others and for self with kindness.

Service:

To work together for the benefit of everyone.

Faith:

To be guided by faith in all that we do, trusting in God.

Courage:

Doing the right thing even when it is difficult.

Respect:

To have respect for ourselves, each other and our environment.

COURAGE

Courage:
Doing the
right thing
even when
it is
difficult.

STEPHEN LAWRENCE

DAY

A legacy of
change

We marked Stephen Lawrence day in April with an extended form time for Years 8 to 11. The focus was on the work of the Stephen Lawrence Foundation.

Students learnt about who Stephen was; born on 13th September 1974 in London, Stephen grew up to be an ordinary teenage boy who liked running and wanted to become an architect. On 22nd April 1993 he was killed in a random racist attack as he walked down the street with his friend. It took many years of campaigning to see the killers brought to justice and even a change to British law allowing people to be tried more than once for the same crime. There were many failings in the original investigation which led to an inquiry looking into racism and the ways it can be carried out.

Over the years many people including Stephen's mother have been campaigning to create a fairer society and for Stephen's death, to bring positive change. In 2018, on the 25th Anniversary of Stephen's death the Prime Minister announced a National Day in his honour.

“Through Stephen Lawrence Day we want young people to be inspired about what they can achieve in their own lives whether in their classroom, their community or a career. We want them to get involved in creating the kind of community they want to live in and we want them to have a strong voice in building a fairer and more inclusive society.”

(Stephen Lawrence Foundation)

Our work on the Stephen Lawrence Day linked in with our Focus Virtue of Courage: Doing the right thing even when it is difficult, it also gave an insight to current world events and allowed students to explore their understanding of how they have a voice in society.

**STEPHEN
LAWRENCE
DAY **
A LEGACY OF CHANGE

**WE ALL HAVE THE POWER
TO MAKE A DIFFERENCE**

CAFOD Catholic Agency for Overseas Development

reclaim our common home

The eyes of the world are watching. And so are we.

Year 7 are Watching

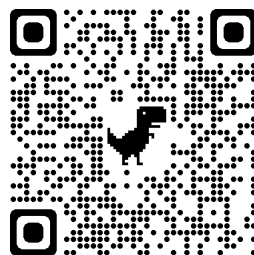

Students in Year 7 have been responding to CAFOD's call to support the campaign on climate change and to keep an eye on what the world leaders are doing at the climate summit meeting that will be held in Glasgow this November. This meeting is called COP26.

It has never been more urgent that humanity resolves together to protect the Earth and all of its inhabitants. To understand this the students watched an animation of Pope Francis' letter about care for our common home called 'Laudato Si', a call for everyone to care for each other, the planet and all of God's creations.

In supporting the campaign, the students drew images of the effects of climate change on eye template sheets, creating a message of support from the School urging world leaders to make changes to climate policies and agreements.

To find out more about CAFOD's campaign follow the link or QR code below .

<https://cafod.org.uk/Education/Secondary-and-youth-resources/Eyes-of-the-World>

Year 7 Chaplaincy and Youth SVP Groups

The Year 7 Chaplaincy and Youth SVP groups have started meeting again in the Chapel and are fired up with good ideas for Love and Service to others. We have kept the spirit of the groups alive through virtual activities during lockdown but we can now meet again as a community to put our faith into action. Both groups are busy writing letters to send to the Year 6 students to welcome them to All Saints and to tell them a little about our school.

We are also watching the growth of our sunflower seeds and preparing to plant them outside to spread the message of hope.

Do you know about the Kirklees Local Offer?

Are you a young person with SEND?

Do you support a child or young person with SEND?

The Local Offer website is packed with information on local services and support for children and young people with special educational needs and disabilities aged 0-25 and their families.

If you don't have access to the internet, The Local Offer website can be accessed at Kirklees Libraries and Customer Service Centres or you can call the Local Offer team on **01484 416919**.

kirkleeslocaloffer.org.uk

Aspiring to improve local services for SEND

It's here! The new [Kirklees Local Offer](#) website is now live!

What is it?

The Local Offer is a really useful website for children and young people (0-25 years) who have special educational needs and / or disabilities (SEND) and their families.

What does it do?

It provides families with information and advice and tells them what services they can expect to find in the local area and how to access them.

What kind of information is on the Local Offer?

The Local Offer pulls relevant information and services relating to SEND into one place, including:

- Education
- Early Years
- Health and wellbeing
- Social Care
- Education, health and care plans (EHCPs)
- Activities and fun things to do
- Preparing for Adulthood
- Travel and transport
- Financial Support
- SEND News and Updates (coming soon)

How is the Local Offer developed?

The Local Offer continues to be developed in partnership with parents and carers, children and young people, services across education, health, social care and the voluntary sector.

How can it support you?

In response to our engagement work with school staff, we have created a 'SENCo and professionals' section on the Local Offer. We continue to work with SENCos to ensure that this area contains the resources school staff require to help them to support families.

The Inclusion Support Offer (ISO)

Supporting the 'SENCo and professionals', the Inclusion Support Offer launched on Monday 29 March. This service gives the opportunity to talk through a child or young person's situation to explore outcomes and options for providing support at the earliest opportunity.

The ISO will help provide early advice, guidance, support and confidence to individuals working with children and young people with SEND using a strengths-based approach.

For more information, please visit Local Offer: [SENCo and Professionals Page](#):

How can you help us?

The Local Offer is developed and improved in response to the feedback we receive from those who use it so we need to make sure as many people know about it as possible.

Please could we ask for your support to share the Local Offer flyer through your channels and raise awareness that the site is there for families and those professionals who support them.

Thank you

Ali O'Neill & Richard Dresser

Music

Music Department News

This half term our GCSE students have been busy recording performances and working on GCSE compositions whilst our Key Stage 3 students have been learning about lots of different styles of music and playing instruments such as the keyboard and ukuleles. If students can try and remember to bring in their own headphones when using the keyboards and computers in music that would be a big help with the sanitising of equipment.

We now have rock bands in both Years 9 and 10, which are rehearsing regularly, and we will be setting up more groups in the next half term with hopefully a return to all ensembles by September, COVID restrictions permitting.

Students have also been rehearsing for the Modulo Music project and will get the opportunity to work with professional musicians through this in the coming months.

We will be celebrating World Music Day on the 21st June in school and this will be a good opportunity for students to think about any instruments they would like to learn to play.

Lessons are available in school on a wide range of instruments and voice and are taught by Musica Kirklees

<https://www.musicakirklees.org/>

There is an application form on their website, or a paper copy can be picked up from the music department.

We have some fantastic opportunities for students to get involved in this term:

Students can enter the BBC Young Composer Competition. Details can be found on their website: bbc.co.uk/youngcomposer

Also, in association with Musica Kirklees there is a singing group called Young Creative Minds that our students can join, more information can be found at:

<https://www.southwestyorkshire.nhs.uk/creative-minds-news/young-creative-minds-voices-free-singing-groups-for-local-young-people/>

Music is good for your wellbeing so keep listening to and making music!

Musica Kirklees Tuition

If your child is interested in accessing vocal/instrumental tuition in school through Musica Kirklees, application forms can be downloaded from their website, www.musicakirklees.org or by clicking on the link here:

<https://www.musicakirklees.org/music-tuition/application-and-registration-forms>

Modern Foreign Languages

This half-term, Year 7 students have been learning how to talk about the weather, sports and free time activities in French. We also enjoyed playing Bingo in French as part of Numeracy Day.

In Year 8 we have enjoyed finding out about two festivals in France - *Carnaval* and *Fête de la Musique*. Students have learnt key verbs in the present tense to describe what is happening in photos of these events. They have also practised forming dates in French with numbers and months in the language.

Students in Year 9 have been learning how to talk about their free time, as well as how to describe friends, both in physical description and character. They were tasked with writing a Haiku in French about their friend, which was a challenge to fit into the standard 5-7-5 syllables!

Textiles

Last year, ex-student Magda produced this amazing religious textile response to her Wearable Art project in GCSE Textiles.

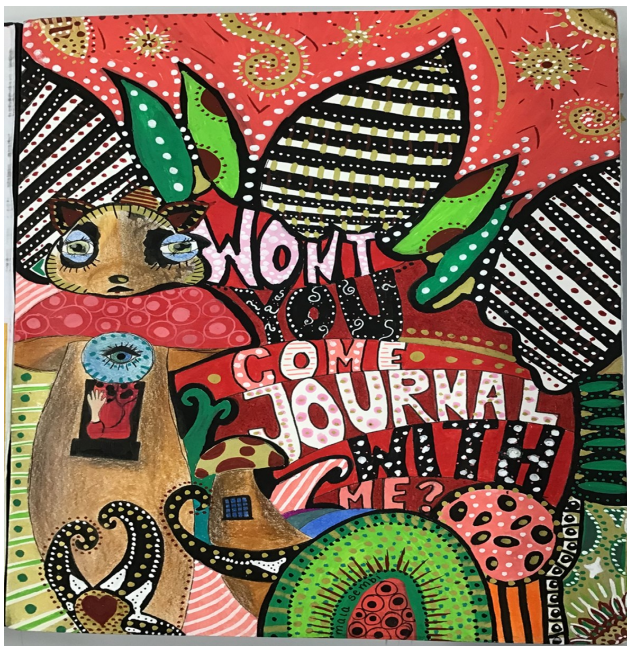

She has very kindly donated it to school where it will reside in the chapel.

Thank you very much for your generosity Magda!

Art

We are delighted to share with you some of the amazing artwork done by our Year 9 students, they have been busy working on the themes 'Memories and reflections', 'school life and friends' and 'home life and family'. It is great to see so many students focused on our school focus virtues of Love, Service, Faith, Courage and Respect.

English

A Great Effort by Year 11!

The English team would like to say a huge WELL DONE to all Year 11 students! They have worked so hard over the last few months on making sure that all their exam evidence is completed and as good as they can make it. It's been a very long slog, but it will be worth it!

Mrs Roberts would like to congratulate the following Year 7 students on having their work published by Young Writers:

Caleb
Ethan
Francesco
Gloria
Imogen

Others whose work was chosen were Kinga and Martin.
Well done for all your efforts during remote learning!

Farewell Mr Nowicki

The English team would like to wish a very fond and appreciative farewell to Mr Nowicki, who has been with us since September. He has been a valuable asset to the faculty and will be missed by staff and pupils alike.

Book Club

Miss Dollman would like to show her appreciation to the members of her book club - she has very much enjoyed the conversations which have taken place.

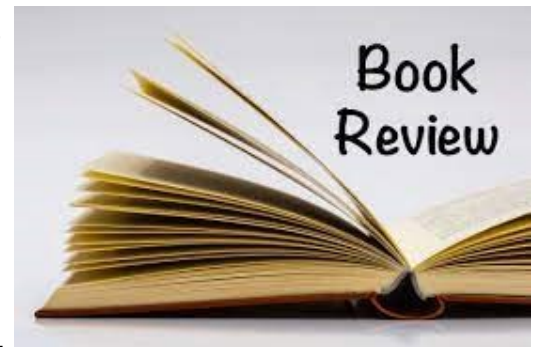

English

'Wonder' Book Review

by Leo, Year 9

Wonder, written by R.J. Palacio, is not the type of book I would usually pick up. I enjoy reading exciting, action packed and adventurous stories. Wonder takes you on an adventure, but not the type where you commence on a quest to kill an evil, fire-breathing dragon. Instead, it delves more into your personal thoughts. The book contains many quotes and life lessons, displaying what it is like for the main character, August Pullman, to live life "normally". 'Why blend in when you were born to stand out?' This quote alone tells you all you need to know, and for me, is one of the biggest things I took from this book. Everyone is different from one another; everyone stands out in their own way. This can be applied to everyday life, and it dives deep into the barriers that August is challenged with. I would recommend this book to anyone. If you haven't already read the book, it will benefit you a great deal. Once you have read it, you understand the influence it has had on social media. This is through the message 'If you have the choice between being right and being kind, always choose kind.' The story is at times quite melancholy, but instead of being a despondent, negative book it presents a joyful, heartening outcome and makes the reader feel optimistic about humanity.

Why I enjoyed Book Club

In lockdown, everyone can admit that things got very boring. Usually, I wouldn't even consider joining a book club because I had an impression it would be extra work rather than pleasure. But during the lockdown period I had more time on my hands; I started reading more. When I saw that there was a book club at school, I thought I would give it a go and see what happened. What was there to lose? Time maybe, but I had plenty of that. The first book we read was 'Wonder' - it taught me a lot of things and made me think hard about the characters. I enjoyed that book, and I enjoyed listening to the opinions of others about it. Different perspectives made me think, so I stayed tuned and read the next one. At the start, book club was just something to pass time, but it really grew on me.

Easter Camp Feedback

Easter camp feedback from Emanuel in Year 8

"Emanuel's mum telephoned the HTFC contact directly, following the information passed on through school and booked Emanuel on to the camp sessions for all 3 days.

Students were given a choice of the type of sports and activities that they would like to participate in each day and most chose football. The instructors then incorporated football drills, new skills and other related games into the training for every session. In addition, a new game was also introduced daily for the students to try.

Quote from Emanuel 'We did drills and learnt new skills. We played fun games like dodge ball, tennis, football, tennis, heaven and hell and cricket. It was really good fun and I will go again.'

Emanuel also added that he was able to meet up again with friends, who he had met whilst attending previous camps and he has also made some new friends. He is going to attend the next camp which is taking place during May half term."

Year 11 Leavers Speech

Dear Year 11

I would just like to say a few words to you. I am in awe of how resilient you all have been over the last year. All of you have come back and followed the direction of staff to ensure that you

had every opportunity to achieve your potential.

I have to say that after the year we have had, we were unsure how we were going to do this but 'by eck kids' you did it. Not only have you shown resilience in the face of this but you all have learnt so much along the way.

What I see is that we have a year group that is united, with great friendships, full of hope, dreams and aspirations.

In the short time that I have been your AC I have got to know you all so well, your individual quirks and qualities and your amazing sense of humour. We have had our ups and downs and especially our ins and outs (isolations), but you have all become amazing individuals. Each of you show the school focus virtues on a daily basis, you all have empathy, show courage, love towards one another (even if it is in your own unique and crazy way), respect each other, and when you haven't you have the maturity to apologise and start again, and lastly, Faith in what you do and what others have done or will do for you.

All your different personalities made up this fantastic year group and you should all be proud of yourselves. You ALL played a part.

The sheer talent of this year group whether it be academic or vocational makes us all exceptionally proud. I for one am humbled at the generosity you have shown me and other members of staff. Your gratitude goes beyond words.

I couldn't have done this without all the support of Bfl, support staff your teachers and the Year 11 team. It definitely takes a village, but you lot needed a town.

I feel very privileged and honoured to have been your AC and I will definitely miss the banter, the smiles and the laughter you have brought to me and all the staff in this school. You are beyond a shadow of a doubt one of the most unique year groups in the school's history and I am very thankful and grateful that I could be a part of it.

On behalf of everyone at All Saints Catholic College, I wish you all so much happiness and luck in your future.

Your time here has come to an end. I truly hope that you think of us at times and remember us fondly. Make every opportunity count. Be safe, love life and have fun along the way, but most of all follow your dreams, you can be anything you want to be. You have got this!

Congratulations Class of 2021 and thank you.

Mrs Deighton

Free School Meals

Half Term FSM Vouchers

Kirklees are providing the funding for eligible students whom qualify for free school meals. A £15 voucher to cover the forthcoming half term holiday will be available. We will once again be distributing these from Wonde, our usual

supplier. Please look out for the voucher which will be available from Friday 28th May.

If your circumstances have changed and you feel you may qualify for free school meals please apply using the hyperlink below:

<https://www.aschc.com/free-school-meals/>

Kirklees Applicants:

<https://www.kirklees.gov.uk/beta/schools/free-school-meals.aspx#:~:text=Apply%20for%20free%20school%20meals&text=and%20their%20parents%20or%20carers,Income%20Based%20Job%20Seekers%20Allowance>

Calderdale Applicants:

<https://www.calderdale.gov.uk/v2/sites/default/files/Free-School-Meals-application-form.pdf>

September 2021 School Meal Price

Kirklees have advised us that from September 2021 a standard school meal will be £2.50.

We will amend the ParentPay costs from September.

Thank you.

Remote Learning

Microsoft Teams

A reminder to parents and students that all lessons are uploaded onto Microsoft Teams for students that are not able to come into school.

Students can access Teams through the link on Moodle or sign in to Office 365 using their school email address and password.

All lesson materials have been uploaded to files/class materials.

If your child is struggling to access the work, please see the Teams guide in Moodle for more information.

Should your child not have access to the internet, or not have access to a device which allows them to access online learning (not including a smartphone) when required to isolate, please email office@aschc.com.

Fantasy Wings

Fantasy Wings is now open for registration, for young people between the ages of 13 and 25 from Black, Asian and Ethnic Minority backgrounds. They run an Aviation programme which teaches young people how to become professional pilots and all about the world of Aviation, from Engineering to Aviation Leadership.

At the end of the 10 month programme, three young people on their programme will receive the cost of training for their 45-hour Private Pilot Licence & the exam for their Private Pilot License funded by Fantasy Wings. 50 additional BAME students of the 21/22 programme will receive a trial flying lesson fully funded by Fantasy Wings. This will be awarded at the end of the programme, at their Annual Conference.

Fantasy Wings are committed to changing the statistics and creating more opportunities for Black, Asian and Minority Ethnic students to become Airline Pilots and Aviation Professionals.

There are limited space available for young people from Black, Asian and Minority Ethnic backgrounds to join the programme in Birmingham, London and Manchester.

It will run on one Saturday a month, beginning this October for 10 months and will be delivered by Airline Pilots, Aviation Professionals and Industry Leaders.

Please visit fantasywings.co.uk for more programme information and go to the registration button to reserve your space

Kind Regards

Martin Alexander

Programme Manager

Fantasy Wings

Balfour Beatty

Over the past few weeks, Rob Lockwood from Balfour Beatty has been speaking with our Year 9 students over Teams about work in construction. Rob shared his own story of how he came into construction and then talked about the many and varied jobs available within this industry ranging from those that ensure wildlife

is protected in areas for development, to those working with stakeholders, gathering opinions and influencing direction. It opened our eyes to the broad appeal of employment in the construction industry. We are grateful to Rob for his time with our students and look forward to developing our links with Balfour Beatty.

Balfour Beatty

Parent Forum

Next meeting: Thursday 15th July

We would like to invite parents/carers to join us in our upcoming Parent Forum meetings being held on Teams.

During the meetings agenda items such as BfL will be discussed, along with suggestions from parents.

To apply to attend a meeting, please visit our website:

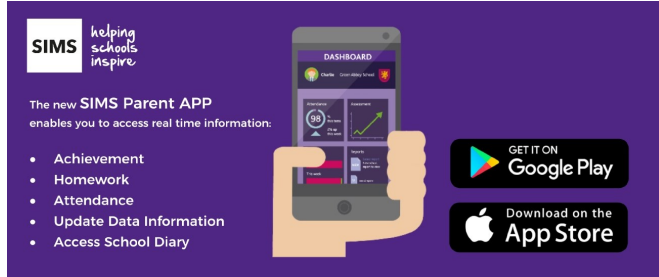

<https://www.aschc.com/parent-forum/>

Parent Forum

SIMS Parent App

All letters, newsletters and notifications are now only being sent out to parents via SIMS Parent App. If you do not have access to this app please email communication@aschc.com and joining instructions will be sent to you.

COVID-19 Testing

We have been made aware that, in children, cases of COVID are often preceded by episodes of stomach upsets, sickness and/or diarrhoea. Anyone presenting with these symptoms is advised to book a PCR test.

We are also asking for lateral flow tests to be done on Monday 7th June by ALL students before returning to school.

Staff News

We end this half term by saying a huge goodbye to Mrs Whitehead, our receptionist. We wish Mrs Whitehead well in her new role and future endeavours.

This half term we welcomed...

Mrs Crossley - Student Welfare Officer

Next half term we welcome...

Mr Daniels - Faculty Leader of English

Mrs Cooper - Educational Teaching Assistant in maths

Great Huddersfield Cleanup this weekend

Can you help?

After much planning and preparation, The Great Huddersfield Cleanup (GHCU) is almost here.

A community event, The GHCU invites people to sign up to litter-picking in key points identified as litter hotspots on the routes into the town centre, whether they can spare an hour, or a morning/afternoon.

Huddersfield Times is very grateful for the offers of support received so far! Blackrock Workwear has very generously donated 50 hi-viz vests to keep litter pickers safe near busy roads, as well as safety gloves. Camira at Meltham, and the Huddersfield Town Supporters Association (HTSA) have organised litter-picks to coincide with GHCU in their respective areas.

Wilkinson Woodward solicitors have kindly promoted the event to their employees and encouraged participation, and Huddersfield BID, Sustainable Huddersfield and TSL Volunteering have been promoting the event heavily on their socials. We look forward to welcoming Sophie from Huddersfield BID who has volunteered to get her hands dirty!

“The Great Huddersfield Cleanup will be giving routes into town the spring clean they need,” says Kim, one of the volunteers at Huddersfield Times. “A big push over this weekend will give Huddersfield a big boost before a busy summer!”

What can you do to help?

Can you give an hour of your time to get stuck in?

Can you donate bin bags or litter pickers (or the means to purchase them)?

Can you help spread the word to as many people as possible?

Sat AM - 9.30am- 12ish St John’s Road/Ringway Ind Est. Meet by the **Harold Wilson statue**.

Sat PM - 2pm - 4.30pmish Manchester Rd - meet by **fire station** to go down Outcote Bank

Leeds Rd/Canal Sunday

Sun AM - 9.30am - 12ish Leeds Rd/Canal - meet at **bridge by Yorkshire Rose** - split off towards town and other way

Sun PM - 1.30-4ish - Bradford Road - meet in carpark at side of **Halfords**

For more information on The Great Huddersfield Cleanup, visit <https://www.huddersfieldtimes.co.uk/get-involved-with-the-great-huddersfield-cleanup/>

or email editor@huddersfieldtimes.co.uk .

About Huddersfield Times Ltd: Founded on 6th December 2020, with a mission to be a platform for overall positive news, events and features, for the people of Huddersfield and by the people of Huddersfield. The move was very well received and continues to attract interest and support from members of the public, business leaders and councillors. It is run entirely by volunteers.

The Great Huddersfield Cleanup

Do you have pride in our town?
Do you want to make a difference?

Join The Great Huddersfield Cleanup!

Over the end of May Bank Holiday weekend, we aim to bring groups and individuals together for a **great big** litter-picking effort!

For more info please contact editor@huddersfieldtimes.co.uk or [facebook.com/huddstimes](https://www.facebook.com/huddstimes)

Together we are stronger

Uniform Exchange

Uniform Exchange helped 500 local children in 2014 with free school uniform packs & winter coats, recycling over 5000 items of good uniform!

Do you need assistance in sorting out school uniform for your family? If so message us through Facebook, let us know what you need and we will be in touch...
...and don't forget to LIKE our page!

Last winter Uniform Exchange collected and distributed 200 coats, shoes & accessories to local children! Can you help us increase that number by donating unused and out-grown coats, scarves, hats, gloves and footwear?

Need help? Want to help?

If you need assistance sorting out school uniform for your family visit the Uniform Exchange website: www.uniform-exchange.org/free-school-uniform/ here you will find a FREE school uniform request form, or visit their Facebook page - see below for details.

Do you have old school uniform at home that's too good to throw away? Donate items, as listed below, to help others in need.

Visit www.uniform-exchange.org/collection-points/ for information about drop-off points. NB - please don't bring bags to school as unfortunately we don't have the space to store them.

Confidence in School Uniform

Let's recycle together for our local Community

Helping the community of Kirklees through Uniform Exchange

We recycle out-grown school uniform and pass it on to families who need help.

- Help us by bagging up any out-grown school uniform.
- Drop off points include your local Sure Start Children's Centres, Kirklees libraries, Sainsbury's Shorehead
Go to the website for a full list of drop off points.
- All donations welcome, rags will be sold to support the project.
- We offer uniform FREE, if you need help go to the website for details.

- Shoes
- Socks
- Jackets
- Trainers
- Pumps
- Sports Kits
- Dresses

Supported by:

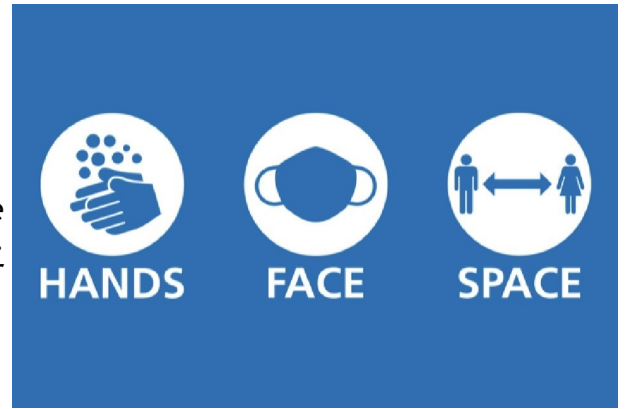

COVID-19

When should someone self-isolate?

Self-isolation is when you do not leave your home because you have or might have coronavirus (COVID-19). Self-isolating helps stop the virus spreading to other people.

Self-isolate immediately if:

- You have any symptoms of coronavirus (a high temperature, a new continuous cough or a loss or change to your sense of smell or taste)
- You are waiting for the result of a COVID-19 test
- You've tested positive for coronavirus - this means you have coronavirus
- You live with someone who has symptoms or tested positive
- Someone in your support bubble has symptoms or tested positive
- You're told to self-isolate by NHS Test and Trace or the NHC COVID-19 app
- You arrive in the UK from a country with a high coronavirus risk

When to get a test

Get a test as soon as possible if you have any symptoms of coronavirus (a high temperature, a new continuous cough or a loss or change to your sense of smell or taste.) You do not need to get a test if you have no symptoms or if you have different symptoms.

To ensure that we can keep in contact with families whilst they are self-isolating or contact parents urgently if a child becomes unwell during the day, it is vitally important that parent/carer contact details (telephone numbers, address etc) held by school are up-to-date. Please inform school immediately of any changes to these.

Remember to bring a mask to school

Face Coverings

We have been really impressed with the majority of students acceptance and continued support by wearing face masks in school at designated times.

We would like to ask parents/carers to please continue to support us by ensuring students wear a face mask to school, and also ask that students keep a spare mask in their school bag should they ever need it. **We ask that face coverings continue to be worn in half term 6 until the Local Authority guidance changes.**

We are replenishing our stock of spare masks for emergency use, but due to having to give out disposable masks on occasions when a mask has been forgotten, this is becoming expensive for school.

Term Dates 2020-2021

First Day	Half Term	Last Day
Autumn Term 2020		
Tuesday 7th September	Monday 26th October - Friday 30th October 2020	Friday 18th December
