

## Principal's Message

*Dear Families*

I have thoroughly enjoyed this term despite the national challenges around COVID and heatwaves etc. The students have had greater enrichment opportunities and when they are happy, I am happy. I feel our school improvement plans have borne fruit and now our new plans take us further forward, still ensuring that we are focussing on the needs of each individual and pushing for progression in a climate of support and challenge.

Governors have been able to come into College and judge for themselves what we are reporting to them within their respective areas of focus. Their level of support and challenge to the Senior Leadership Team has been strong and extremely productive. You can access their Impact Statement for this academic year on our website.

I thank parents who have engaged in Parent Forum and in surveys. These are rich sources of information for our planning process and I can say that our Key Stage 3 assessment and reporting policy has undergone significant change as a direct result of the views of our families. Other comments have been passed on from the last survey and we will publish our resultant actions in the new academic year.

Year 6 students have been in for induction and we are delighted that this has gone so well. We love to welcome the new youngsters in and also look forward to exam results day when we meet our outgoing Year 11s before they also begin their new adventures.

On a practical note, this next term will see the refurbishment, at long last, of the caretakers' houses, which will offer us some much-needed generic space from the New Year - if things go to plan.

We fully intend to continue to further strengthen our relationship with our families and we thank you all for working alongside us in partnership for the best outcomes for our young people.

Have a safe and happy summer.

God bless

*Karen Colligan*

OUT FOR  
Summer

### Summer Holidays

**School reopens on Tuesday 6th September for Years 7 and 11 only.**

**All other year groups return on Wednesday 7th September.**

## Our Motto

Love • Serve • Learn

## Our Mission

Our mission is to put Christ at the centre of our community.

In loving and serving God and one another, we encourage everyone to flourish through learning.

## Our Focus Virtues

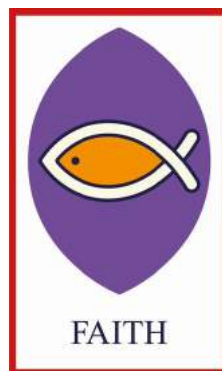

Virtues are qualities that we practise in order to help us become the best version of ourselves.

**Love:**  
To do everything for God, for others and for self with kindness.

**Service:**  
To work together for the benefit of everyone.

**Faith:**  
To be guided by faith in all that we do, trusting in God.

**Courage:**  
Doing the right thing even when it is difficult.

**Respect:**  
To have respect for ourselves, each other and our environment.

## Free School Meals

### One-off Summer Payment

It has now been confirmed that every child or young person who is eligible for free school meals will qualify for a £70 one-off summer payment designed to support their family with the cost of living.

It is important to note this is not a 'free school meals payment' - it is financial support on a broader scale, reflecting the current challenges being faced by so many people.

The school provided you once again with a choice of a voucher from Wonde by email on Wednesday 20<sup>th</sup> July, and we are asking you to choose your preferred supermarket, as you did with free school meal vouchers in previous holiday periods.

## College Uniform Update

### Changes in line with the Governments' Education Act 2021

With effect from September 2022, please be aware there is no longer a requirement for badged All Saints uniform items to be worn by students, **with the exception of the College blazer and tie.**

**Both the College blazer and tie are compulsory items.**

All other uniform items, including those required for PE, can be purchased from any clothing retailer, as long as they meet the College requirements which are available on our website <https://www.aschc.com/college-uniform/>. A reminder of some of our uniform guidelines can be found below:

**Trousers:** Leggings or skin tight jeans/trousers are unacceptable. Trousers should not cling around the thighs, knees and calves. Trousers should be tailored fabric trousers.

**Shoes:** These should be plain black college-type shoes. Sensible shoes remain essential for the safety of students and slip on 'ballet style' or 'holiday' footwear is not appropriate in College. Fashion shoes, pumps, boots or trainers are not acceptable. Shoes should be worn with black socks.

**Hair:** Extreme hairstyles are not appropriate for school. There are many fashions that come and go and these are monitored. Hair needs to be of an even length with no Mohican tops or shaved sides. There should be no tramlines or patterns cut into the hair either. Hair colour should be natural e.g., no pink or other extreme colours are allowed.

**Make-up and Nails:** Make-up should not be visible and students will be expected to remove any visible make-up once they are in College. It would be better for them not to apply such make-up in the first place. Nail varnish and false nails are not allowed in College.

**Jewellery:** Earrings, stretchers or any kind of piercings should not be worn for College. Some students have piercings in or around their earlobe. These must also be removed for College, as should nose piercings. Likewise, only one bracelet can be worn for religious observance. Jewellery will be confiscated if worn in College.

# Faith Day

All Saints students were invited to join other schools within the Diocese at Notre Dame Sixth Form College for a Faith Day with fun, friendship and faith-based workshops including environmentalism, prayer, social justice and drama.

Our Lay Chaplain, Mrs Rhys-Hill, ran an art-based workshop focusing on Marian floral tributes.

Thank-you Mr Sullivan inviting us.

## CAFOD Young Leaders Retreat Day

animate  
youth

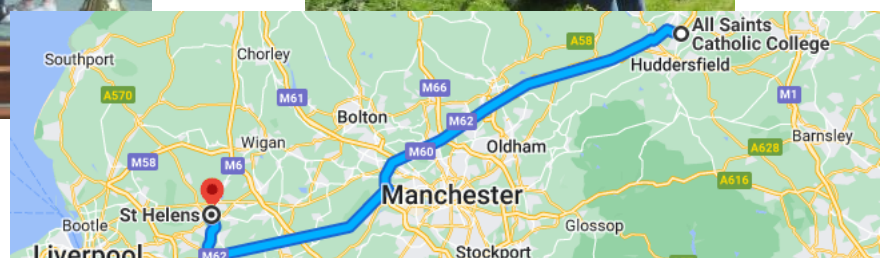

The CAFOD Young Leaders group, comprising of students from All Saints Catholic College and our sister school, St John Fisher Dewsbury, spent the day working with the Animate Youth Team in St Helens on a retreat day.

The day started with baking bread that was then placed on the altar for the service in the chapel.

The students participated in workshops on the divine mercies, their own spiritual journey as leaders and their contribution to the body of the church, as made in the image and likeness of Christ.

The day was made possible through the collaborative work of the Lay Chaplains at the two schools and the enthusiasm of the students.

## Whole School Mass

For the first time in three years we were able to gather in our sports hall as a school community to celebrate the Feast of St Peter and St Paul.

Fr John was assisted by the fantastic group of students pictured above, participating in the Mass with the readings, bidding prayers, the offertory and altar serving.

It was a real blessing to join together in celebration of the Eucharist and we hope to do this more often over the course of the next academic year.

# Chaplaincy Update

## Staff Chaplaincy

Staff met this month to review the events and activities within Chaplaincy as we come to the end of this year, and to plan for the next academic year.

We started with meditative prayer and a time of reflection. It was a great opportunity to appreciate all that we had been able to reintroduce into the school calendar and the priorities for the Catholic life of the school.

Chaplaincy within school is a real team effort and meeting together allows for the sharing of ideas, gifts and talents in the service of God.

## CPD in the Diocese

Ms Colligan and Mrs Rhys-Hill joined the Headteachers' conference for the Diocese last month, with a focus on Chaplaincy within schools.

It was a valuable day with opportunities to meet new appointments to the education team and to network with colleagues before celebrating Mass together.

Mrs Rhys-Hill attended the Children's Liturgy training at The Briery, and is now looking at innovative ways of involving the students in presenting the Word.

## Chaplaincy Groups

The student Chaplaincy groups have been busy preparing for the Masses and services this half term, with the Faith in Action students being keen to gather evidence for their portfolios.

Students from the SVP group in Year 8 have been busy making bracelets to sell and collecting chocolate for a tombola to raise money for charity.

## Fr John

Much of the work this year within Chaplaincy has been due to the willingness of Fr John to be involved in the life of the school, to hold Masses for students, staff and families and to be involved in the planning and running of events.

We would like to say a very big thank-you for all the work he has done over the year with us and we look forward to his involvement next year.

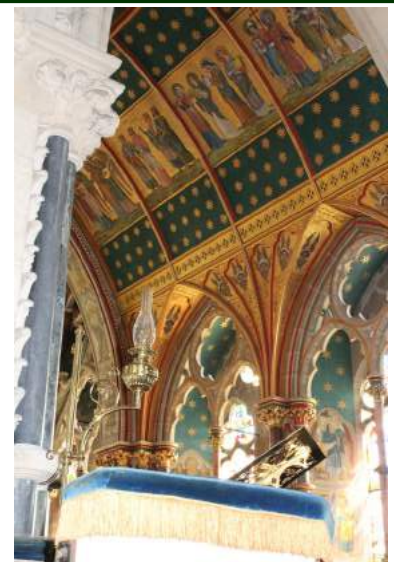

# School Trips & Events

## Fountains Abbey

A group of over 40 students spent the day in 'pilgrimage' and spiritual reflection during a trip to Fountains Abbey. Planned in part to offer a faith-based day for those students who were unable to travel to Lourdes this year, the day offered the opportunity to learn about the historical and religious significance of the Abbey as well as time in prayer. We were blessed with good weather and spent the morning around the Abbey before walking to St Mary's church to witness how the Victorians expressed the glory of God through stunning architectural design and decoration.

The highlight of the day was the outdoor Mass under the shade of a huge tree - very much as the early Christians would have done whilst on pilgrimage. Very many thanks to Fr John for spending the day with us, leading Mass and helping us to take a spiritual pilgrimage. Thanks also to the RE staff Mr Doherty, Mrs Pickles and Miss Smith, and also our Lay Chaplain, Mrs Rhys-Hill, for making the day a great success.

## School Trips & Events

### Pennine Sports Presentation Evening

Our Year 10 dancers had the fantastic opportunity to perform at the Pennine Sports Presentation Evening at the Town Hall this half term.

As usual, the students represented our school brilliantly and gave an outstanding performance!

### Student Helper Pizza Reward

As a thank-you to over 100 students who gave their time this half term to support our Open Evening, New Entrants Evening and Year 6 Transition Week, a variety of pizzas were ordered on Friday, 15th July.

Students met in the dining hall and were able to help themselves to the selection on offer, and to also enjoy some time relaxing and talking with their peers and other year groups, as a reward for their hard work.

All those students involved were a credit to themselves and the school and received amazing feedback from our visitors.

## School Trips & Events

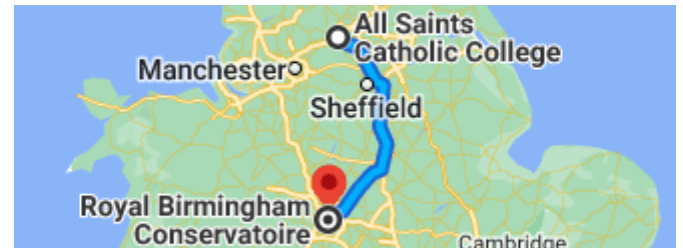

### Music - Modulo Music Project

On the 6<sup>th</sup> July, the All Saints Band travelled to the Royal Birmingham Conservatoire of Music to take part in the National Meet for the Modulo Music project organised by Orchestras for All.

It was a long day for the students, setting off at 7am and returning at 7pm; spending the full day in rehearsals with a performance at the end. They all thoroughly enjoyed the day and learned a lot.

The organisers gave the following feedback about our students:

'Our team were extremely impressed by the young people's focus, resilience and confidence... You have so many talented students, who alongside being great musicians, are polite and courteous people who show us their best smiles!' We are very proud of them.

### Geography - Year 10 Field Trip to Flamborough Head and Hornsea

Year 10 geographers enjoyed a trip to the fastest eroding coastline in Europe last week.

The main aim of the trip was to complete compulsory GCSE fieldwork at Flamborough Head and Hornsea.

At Flamborough Head students went on a coastal walk and spotted coastal landforms including; caves, arches, stacks and wave cut platforms at the chalk cliffs, as well as a whole host of seals basking in the sun.

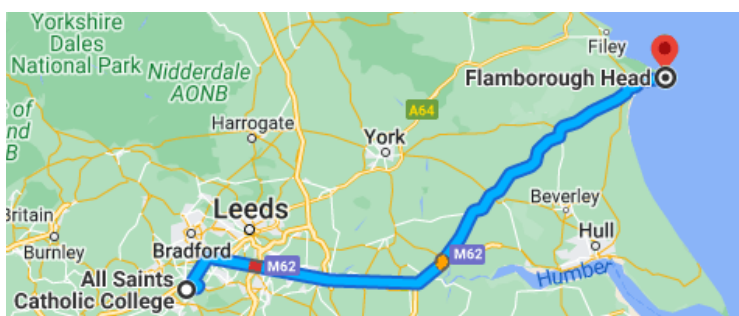

They also sketched some of these landforms while enjoying an ice cream.

The main geography fieldwork took place at Hornsea, with students measuring groynes at different distances from the sea to evaluate the impact of longshore drift, and if they were effectively protecting the coast.

We also managed to enjoy some fish and chips whilst on the beach. Students behaviour was excellent, and they were great role models for the school.

We eagerly await the next geography fieldtrip in the autumn term!

## School Trips & Events

### Science - Big Bang Fair, 22nd June

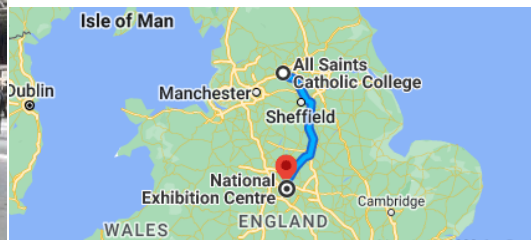

On a bright sunny day in June, a coach full of Year 9 students made the long journey to the Birmingham NEC to attend this year's Big Bang Fair.

This is the United Kingdom's largest celebration of STEM (science, technology, engineering and maths) for young people, and is one of the largest youth events in the UK.

Our students dived straight in and engaged in over 70 hands-on activities brought to them by many universities and companies, including Rolls Royce, Network rail, Birmingham City University and Leonardo UK LTD .

They also chatted to 'real life' scientists and engineers about what they do and how they get inspired.

More information about the Big Bang Fair can be found here: <https://www.thebigbang.org.uk/the-big-bang-fair/>

### History - Skipton Castle

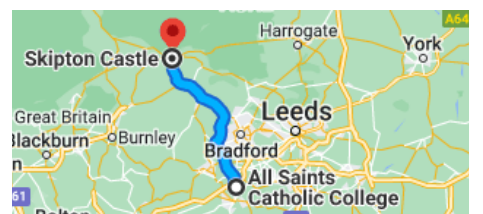

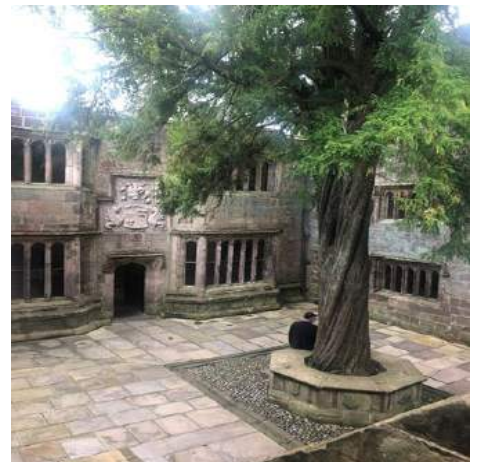

On Friday 8<sup>th</sup> July, GCSE History students went on a day trip to explore Skipton Castle and the surrounding area. As part of their GCSE course, students study a local aspect of History and are examined on their knowledge of the site at the end of Year 11. The trip helped students to experience the different features of the castle and to see for themselves what the castle and surrounding area was like.

Students enjoyed a professionally-delivered guided tour of the castle and were able to ask any questions that they had. Students climbed the spiral castle steps (albeit very tentatively) to the tallest watchtower and ventured down beneath the castle into the cold, dark dungeons to gain a real sense of what it would have been like to live there both as a Lord and as a prisoner!

Students were able to clearly see the physical features of the castle from the Medieval Period up to modern day and were able to understand why the location of Skipton Castle was chosen and why the castle was built. Students were also taught about the ways in which society has changed over time and how historical buildings can evidence this - including how dogs were seen as higher in status than women!

All 85 students were extremely well behaved and represented the school with pride.

It was an incredibly valuable experience for students and we look forward to going again next year.

## Music

It has been a busy half term in the music department. We celebrated World Music Day on the 21<sup>st</sup> June with all staff getting involved playing and talking about their favourite music. The following day the Year 11s sat their Music Listening and Appraising GCSE exam and we wish them all luck in the future. We hope they all continue to make music and know that several of them are going on to do music at college.

On the 28<sup>th</sup> June, we hosted the Leeds Diocese Singing Programme Concert in which several of our students past and present performed. It was lovely to catch up with past All Saints students who are preparing to start university courses. In the same week we combined our Key Stage 3 and 4 rock bands together along with our All Saints band to perform at our Open Evening.

We have had several students take graded exams on their instruments this half term, a big well done to these students for all the practice they have done and determination they have shown to achieve this.

If anyone is interested in learning an instrument or singing please see Mrs Sidwell in Music or see the Musica website for details <https://www.musicakirklees.org/>

Our final event for this half term was taking part in the Drama, Music and Dance Showcase on the 14<sup>th</sup> July. All the performances were amazing and really showed what talented students we have. Well done to everyone that took part!

Mrs Sidwell would like to thank all the students for their hard work in music this year, and to all the parents/carers for their continued support. We are looking forward to what music we will make next year.

## Governor Vacancies

### Become a Governor at All Saints

All Saints currently has vacancies for both a Co-opted and Foundation Governors.

Being a governor is a rewarding way of making a voluntary contribution to the lives of local young people.

Our Governors' core responsibilities are to:

- Plan the strategic direction and vision of the College.
- Oversee the financial performance of the College and ensure the money is well spent.
- Hold the Principal and Senior Leadership Team to account for the educational performance of the College and the performance of the staff.

Please note, nominations for our Foundation Governor vacancies should only be from practising Catholics.

We request that nominations for our Co-opted Governor vacancy are from applicants who do not have children at All Saints.

All governors must complete safeguarding checks.

## Providing an additional opportunity for problem solving

The Junior Kangaroo is a follow-on round to the [Junior Mathematical Challenge](#). It is a 60-minute, multiple-choice Challenge consisting of 25 problems.

Several thousand UK-based students from the [Junior Mathematical Challenge](#) are invited to take part in the Junior Kangaroo. Entry to the Challenge is **by invitation only** and is based on a qualifying score, which is variable from year to year.

### Awards

The **top-scoring 25%** of participants each receive a **Certificate of Merit**. Each participant below this threshold receives a Certificate of Qualification or Participation depending on their entry route.

Certificates are pre-populated with student names and can be downloaded and printed as soon as results are released.

The 2022 award thresholds were:

Merit: 97+

United Kingdom  
Mathematics Trust

### Kangaroo origins

We are proud to be a UK member of the [Association Kangourou sans Frontières](#), a collaborative association whose purpose is to promote mathematics among young people around the world. Around six million young people take Kangaroo competitions each year.

The name *Kangaroo* acknowledges the contribution made by Australia to establishing large-scale mathematics contests.

### Congratulations

A special congratulations to **Marcel** in Year 7 who achieved a merit award. This is the first time we have had a merit award at All Saints.

Also to the Year 8 pupils below who were all awarded a certificate of participation:

Daniel  
Thomas  
Szymon  
Elias

## After-school Activities

After-school activities for the new academic year will be available to book on SchoolCloud in September. A message will be sent to all families with more information nearer the time.

## Year 11

### GCSE Results Day

GCSE Results Day is on Thursday 25th August 2022.

A letter was sent to Year 11 parents and students at the end of last week confirming timings for collection of the results.

We look forward to seeing our Year 11 students back in school on the day.

Students who are unable to collect their results in person on the 25th August, should email [examinations@aschc.com](mailto:examinations@aschc.com) and advise school in advance who will be collecting on their behalf. The nominated person must bring ID with them on the day when collecting the results.

Uncollected results will be posted home to the last known address on our system.

## Learning Resource Centre

The Learning Resource Centre (LRC) has been a hive of activity this term, outside of lessons, with students coming in to read and to access homework on the computers as well as a number of creative writing competitions that have been held.

You will have seen that your child has been bringing library books home as part of the Accelerated Reader scheme in English. However, **all books will have to be returned before the summer holidays**, this will help us to audit our resources as part of the process to make the LRC into an attractive, accessible learning environment to be used by all students in September.

In College, we actively promote reading at home and would encourage parents/carers to keep students actively involved in reading during the summer holidays.

### National Writing Day

23 June 2022

A small number of students took part in a creative writing competition in the LRC for 'National Writing Day'.

Emma in Year 10 was chosen as the winner, and was awarded a book as her prize.

Emma's winning work can be found below ...

### I spot them on the train...

I spot them on the train... a Sunday morning, eight o'clock train from Huddersfield to Leeds, before work, nothing unusual, just another boring morning in my boring life. It was the same routine, same drill, same everything for the rest of my life. Until, I end up with the fate all of us have in common. Death!

Everything changed when I saw him, a tall man around his mid-fifties, his white sleeveless shirt covered by bright yet somewhat dark blood smeared all over it, black trousers with the legs ripped apart, nothing but a numbly terrifying image before my eyes, the idea jumping with anxiety in my head of him at any point attacking me.

I see his fingers ticking as I anticipate his next movement. Nevertheless, his hands only move up him slowly, him finally placing them on his chest, grabbing tightly the fabric of his blood-soaked shirt. 'Sssteve', he says, stuttering in between his words. 'I I'm sorry for what I have done, not even God Almighty can forgive the sins against you, please have mercy on my soul'.

My body frozen, I want to scream my lungs out for help but his words had broken my thoughts briefly. His hand falls off, eye's wide open as he gave his last breath.

I always thought I wouldn't care when my life was over, but seeing my fate with my own eyes, my soul, my life, left me broken!

## Gardening Club

Friends of All Saints would like to develop a gardening club over the next few academic years.

An area of the grounds have been selected and we would like to progress the development of a sensory garden as the first step.

We are interested in identifying staff, students and parents with a desire to get involved through participation, donations (plants, equipment etc) or in an advisory capacity.

**Stage 1**  
Sensory Garden

**Stage 2**

Reminder for 2022/2023

# Attendance

Our Ref. MDO/CTA  
July 2022

**STUDENTS WITH HIGHER  
ATTENDANCE  
ACHIEVE BETTER  
QUALIFICATIONS**

Dear Parents and Carers,

We hope this letter finds you well and you are all looking forward to a well-deserved break over the summer holidays.

As you know, good attendance in school is key to securing good outcomes and students achieving their target grades. Research shows that attendance and punctuality are vitally important to success at school and that there is a direct correlation between attendance and progress and attainment in school. The attendance target at All Saints Catholic College is 96%. We want to work with families to ensure that all students achieve this target.

The College attendance target is based on the minimum level that further education colleges, apprenticeship providers and employers consider to be good attendance. 95% attendance means a student has missed 10 days of school in a year. This equates to 50 hours of lost learning which will have a massive impact on a student's ability to progress and succeed. Equally, if a student arrives 5 minutes late to school each day, they will miss 3 days of school in a year which equates to 15 hours of lost learning.

If your child is going to be absent from school, please contact College before 8.30am on each and every day of absence. Absence should be reported in the following way:

- Telephone College on **01484 426466** and press **Option 1** to report an absence or alternatively email **attendance@aschc.com**

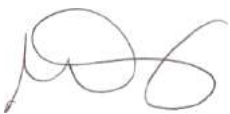

Next academic year is an opportunity for all students to have a fresh start. We want to help ensure your child's attendance is above the target of 96%. The Attendance Team, your child's Achievement Coordinator and BfL Coordinator as well as the Learning Tutors are here to work with you and your child to ensure they achieve the best possible level of attendance.

Please do not hesitate to contact College if you need any help or support in relation to your child's attendance.

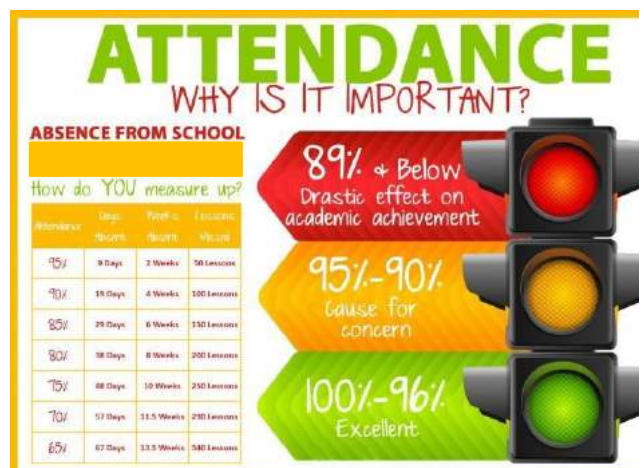

Queries regarding attendance can be emailed directly to your Achievement Coordinator.

Further information regarding attendance at All Saints Catholic College can be found in our Attendance Policy which is available on the College website <https://www.aschc.com/attendance/>.

Yours sincerely

Mr M Doherty  
Assistant Principal

## Year 9 and 10 Updates

### Year 9

Bronze DofE is now underway for our current Year 9 students, and with 65 signed up to take part, it is going to be a busy year!

The students have had their introduction and logins for eDofE and are beginning their bronze DofE journey.

Miss Travas will be working with them to get their three sections of volunteering, physical and skill underway so that we are in a good place to begin our preparation for the expeditions that will take place in the spring term.

After-school sessions for expedition preparation will begin in January and are compulsory for training.

For information on opportunities for participant go to <https://www.dofe.org/opportunity-finder/opportunity-for-dofe-participant/?paged=1&level=bronze>

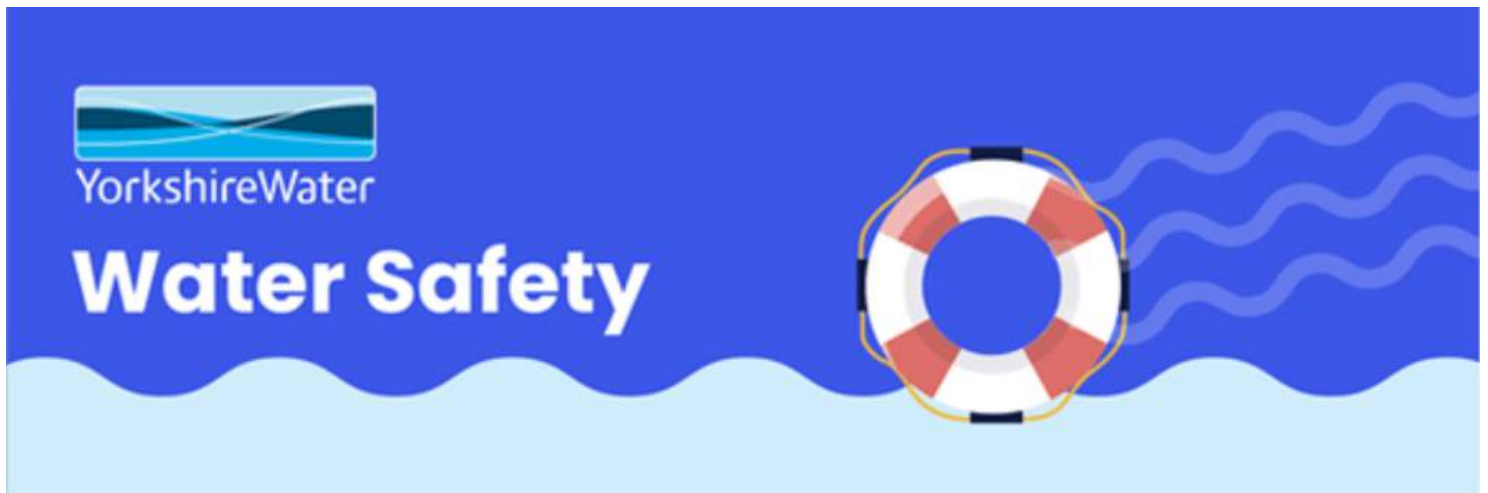

### Year 10

Our Bronze DofE participants from Year 10 need a big push to get their sections completed. Lots of challenging work has gone into getting them this far but many still need to complete their eDofE with evidence and chase up their assessor.

Come on Year 10, lets get this finished before you get stuck into your GCSEs!

For information on how to get your assessor to write their report go to <https://www.dofe.org/assessor>

If you have any questions or queries please contact Miss Travas on [ktravas@aschc.com](mailto:ktravas@aschc.com)

Now the summer break is here and temperatures rise, the likelihood of a young person being involved in a tragic water incident is high.

Many young people underestimate the risk of entering cold water.

Last year WYFRS attended 57 water rescue incidents and tragically 7 lost their lives across West Yorkshire.

## WEST YORKSHIRE GREEN SKILLS YOUTH PROGRAMME

**HOW CAN WE ENGAGE YOUNG PEOPLE IN THE FUTURE OF GREEN JOBS?**

Whilst young people are passionate about climate change, our research has shown there is low awareness amongst them of how the net zero agenda impacts job opportunities, and what it means for their future working lives.

To help tackle this, the West Yorkshire Combined Authority have teamed up with Ahead Partnership to launch a new Green Skills Youth Programme which will be developed and delivered with the support of the Green Jobs Taskforce for young people aged 14-17 years old.

**AHEADPARTNERSHIP.ORG.UK/WESTYORKSHIREGREENSKILLS**

### WHAT DOES THE PROGRAMME INVOLVE?

Young people participating in the programme, either over the summer holidays or in September, will take part in the following:

- An online launch with inspirational role models from the green sector
- A half-day activity that will help young people understand greening topics such as carbon offsetting and green living, create their own ideas for a local green project and take part in a Youth Voice session to have their say on the future of green jobs in West Yorkshire
- An opportunity to share their green project ideas with WYCA

All of the activities are hosted by Ahead Partnership with easy-to-follow instructions and full information packs, making it easy for teachers and students to take part.

**AHEADPARTNERSHIP.ORG.UK/WESTYORKSHIREGREENSKILLS**

### WHY SHOULD STUDENTS TAKE PART?

- ✓ They will build a network of local employers and engage in meaningful debate and discussion around green skills and jobs.
- ✓ They will develop essential employability skills including teamwork, critical thinking, analysis and research, creative thought, advocacy and communication skills.
- ✓ The project will also provide valuable experience to be included in their personal statements.

# +MY DIRECTIONS .CO.UK

Welcome to MyDirections, the new C+K Careers website where All Saints students can browse careers information.

Go to <https://ck.mydirections.co.uk/login>

Username is school email address, password is 12345678 - students can then change this to your own password once logged in. You will be asked to complete a questionnaire on first login, which will then tailor personalised content relevant to what you're interested in. All students from years 7-11 can access this. An excellent way for all students to find out more information about subjects and careers.

## Club Hub

Are your school parents looking for activities to entertain their children during the summer holidays? We have thousands of holiday activities listed with the majority of them offering activities for free or with huge discounts available.

I was wondering if you had a "Useful Links" page on your website for your parents and carers to access? Could you possibly add our website link? <https://clubhubuk.co.uk/listings/holiday-activities/>

We would love to help thousands of parents find affordable activities during the summer holidays.

Club Hub is the UK's largest kids activities directory. Parents and carers can search for kids' activities for newborns to 18 years in the whole of the UK for free.

### CUSTOMER REVIEW FOR CLUB HUB UK BY BETH C

### VERIFIED REVIEW

Club Hub is my absolute go to for kids activities. I don't know how parents survive without it!

### **Coaches and Teachers**

If you are ever looking for any kids activity providers to run sessions in your school please do get in touch and we can send you a list of people that we recommend. Football coaches, yoga teachers, piano teachers, we have a huge range of coaches and teachers listed on our site.

### **Raffle and Auction Prizes**

And when you are next fundraising please do contact us. We can offer you a 'Club Hub Gift Voucher' or connect you with local attractions that could supply tickets for your auctions and raffles.

Please let me know if you have any questions and whether you can add our website link? <https://clubhubuk.co.uk/listings/holiday-activities/>

## Parent Forum

2022/2023

We would like to invite parents/carers to join us next academic year in our Parent Forum meetings being held on Teams.

Each meeting has a general theme and next year some of these will be:

- Communications from School
- Co-curricular Activities
- Feedback from Parent Surveys

More information will be available in September, but please visit our website for minutes from the meetings attended this academic year: <https://www.aschc.com/parent-forum/>
