

Principal's Message

Dear Families

I am delighted that as we move inexorably through this year the chances of more snow days are diminishing, even though the speed of travel is a little faster than I would ideally like as we have so many plans to action. We have had a few glitches with our rollout of our EduLink system and I thank you for being so patient. I hope that we all find it easier and more convenient to use.

We are working earnestly to continually enrich our curriculum and this half term has seen more trips taking place as well as the rollout of the end-of-year reward trip information and the opportunity to sign up. We want to make these an annual feature and something that students can look forward to as they journey with us through their secondary school career.

I sincerely hope that strike days are behind us as they are disruptive to school and family life alike, although this may be doubtful at this juncture. I thank families for being so gracious with our arrangements and also so supportive.

Year 11 final mocks have taken place and students are well aware of their areas of strength and of those on which they must focus in these final few weeks of formal schooling.

The caretakers' houses improvements are well on their way and we expect they will be ready for the formal exam season.

I wish you all a happy and holy Easter and look forward to welcoming our students back in the summer term.

God bless

Karen Colligan

PROM
2023

Prom this year will be taking place on Friday, 30th June.

A letter was sent to parents on 17th March with more information.

Tickets cost **£28** and a deposit of **£10** was due by Friday, 31st March to secure a place.

EduLink

Over the past few years, we have made use of a number of apps and platforms that have been introduced to support you in monitoring your child's progress, communicating with the school and, most recently, booking parents evenings and after-school activities. We have taken feedback from parents and conducted our own review of the services these apps and platforms provide, and we have chosen to introduce a more comprehensive app called **EduLink One**.

The transition to EduLink One has already begun in school. Initially, parents will be able to view their child's details, timetable, attendance, behaviour, achievement points and after-school activities.

All messages, notifications and emails will now be sent to parents through EduLink. Please ensure you turn on notifications for the app to ensure you do not miss any messages. Moving forwards, only urgent whole school messages will be sent by text, all other messages will be sent as push notifications through the app - these will appear as pop-ups on your device, or emails via EduLink. We will continue to use SchoolCloud for booking parents evenings for the remainder of this academic year, although from September 2023, parents evening bookings will also move to EduLink. Bookings for **after-school activities** are to be made using EduLink One within the "clubs" section.

The intention behind the move to this app is to make processes easier and more convenient for you, being able to access a multitude of information in one place. When EduLink One is fully established, the only other service parents will need to make use of is ParentPay.

EduLink One is free to access on any modern web-enabled device, either via www.edulinkone.com on a web browser on PCs, laptops, tablets and mobile devices or with the dedicated app on Android or iOS.

You are eligible to access EduLink One if you are a parent/carer with parental responsibility for a student at All Saints. If you have more than one child at the school, you will only require one account. You will need the following information to log in:

School ID: You can either use ASCC or HD22JT

Username: You have received an email with your username details.

Password: You can change your password once you have logged in. You can also ask to reset your password directly through EduLink.

Log in details have been sent to the email address you have already provided to school from edulink@aschc.com. Please check your junk mail if you have not received this.

A Parent Guide for using EduLink, along with links to videos, can be found on our website, <https://www.aschc.com/edulink-one-parents-guide/>.

If you require any support or advice getting EduLink One setup, please e-mail office@aschc.com.

PLEASE DO NOT REPLY DIRECTLY TO ANY EMAIL OR MESSAGE RECEIVED FROM EDULINK. MESSAGES TO SCHOOL SHOULD BE SENT IN THE USUAL WAY.

The Intermediate Mathematical Challenge is a 60-minute, multiple-choice competition aimed at students across the UK.

It encourages mathematical reasoning, precision of thought, and fluency in using basic mathematical techniques to solve interesting problems.

The problems on the Intermediate Mathematical Challenge are designed to make students think. Most are accessible, yet still challenge those with more experience.

Mrs Loonat and the Maths Department

Music

As always, we have had a busy half-term in the Music department.

We were due to host the 'Let's Sing' event as part of the Kirklees Year of Music 2023, on Friday 10th March, however due to bad snow on that day, the event had to be postponed.

We are now going to be taking part in an even bigger 'Let's Sing' event at Huddersfield Town Hall on the 16th May instead. If any All Saints students would like to be involved, they should sign up on EduLink for the Choir on a Wednesday morning to learn the songs.

Our All Saints band were at the University of York on Tuesday 21st March, working with other schools and professional musicians as part of the Orchestra for All Modulo Music project. This was an enjoyable day involving lots of rehearsing and a final performance in the university concert hall.

As part of this project, in the next few months, we will have some professional musicians in school to work with our school band. Any students that can play an instrument and would like to be involved should sign up on EduLink and attend the All Saints band every Wednesday 3.10-4.10pm.

We are currently rehearsing for our very exciting summer School Production - 'A Night at the Musicals'. All students with a part will need to attend rehearsals every Wednesday and Thursday after school and will need to sign up on EduLink to be able to attend these sessions. The production will be on the first week in July and details about tickets will be shared in the summer term.

Individual instrumental/singing lessons have continued with Musica Kirklees and anyone who is interested in learning any instrument or having singing lessons can apply online at [Online Application Form - Musica Kirklees](#).

We recommend anyone considering taking GCSE Music or who are already on the course to have instrumental/singing lessons, and to attend the relevant co-curricular activity after-school.

We look forward to seeing you at our upcoming events.

Duke of Edinburgh

This half-term, Bronze DofE students from Year 10 went on their practice expedition.

In 7 groups they practised navigation, working as a team, cooking together as well as putting up tents.

Lots of lessons were learned, mainly about which items are essential to bring on an expedition, and what isn't needed. Also, that sharing the weight of carrying a heavy tent between

people works much better than one person trying to carry it all!

The weather was kind to us, with a bit of rain in the evening and a lovely mild day for walking.

Huge thanks goes to Mr Smith, Mrs McDonnell, Mrs Rhys-Hill and Mr Turley for giving up their time to support the students on the practice expedition.

Students must continue to attend Monday after-school sessions to plan for the qualifying expedition in May.

THE DUKE OF EDINBURGH'S AWARD

Drop Down Day

Key Stage 3 - POL-ED

As part of our relationships, health and sex education programme, key stage 3 students took part in POL-ED sessions provided by West Yorkshire Police and supported by PC Sally.

This covered a range of topics helping students to keep safe in the community.

Students stated:

‘The best thing about drop down sessions is you can learn about diversity and understand people’s views.’

‘The best thing about drop down sessions is you always learn something new.’

‘The best thing about drop down sessions are doing things that really affect people our age or things people our age need to be educated on.’

Year 10 - Addiction

Year 10 are currently studying the topic of addiction in PSHCE. To develop their learning experience they had a ‘lived experience’ talk from two members of Alcoholics Anonymous.

One student stated:

‘This provided useful insights and could potentially steer some students from the wrong paths.’

Eid al-Fitr 2023

The College is advised that the likely date for Eid al-Fitr will be the 21st of April 2023.

In line with guidance to schools on attendance, the College allows one day's absence for Eid al-Fitr for religious observance.

The College needs to fulfil its safeguarding duty and needs to know which students will be absent and for what reason.

We hope parents will understand that the College must never make assumptions about the reason for an absence and will always require notification from parents, including for Eid.

For this reason, we ask that parents use the link below to indicate if their child is to be absent from school for Eid, and to indicate the day when they will be absent.

The form should be completed in the week beginning 17th April and is available to complete using this link: [Eid al-Fitr 2023 Student Absence Request](#).

First Aid Student Medication

As per our First Aid and Student Welfare Policy, which can be found on our website, medication cannot be held or taken in school unless it is prescribed by a GP to be taken 4 times a day, showing evidence of this on the label.

If medication is required to be taken 3 times per day, it needs to state the required timings of when to give the medication to the student on the label.

Medication cannot be administered to any student unless a Medical Care Plan has been filled in and signed by a parent/carer.

Certain adjustments can be made for students with an allergy or diabetic needs, for example.

Any medication, including paracetamol and Ibuprofen or any other over the counter medications will be confiscated if they are found on a child, and a parent will be contacted to arrange collection of the medication.

Please contact the Student Welfare Officer, Miss Holdsworth, by email to firstaid@aschc.com, if your child has been prescribed medication that needs to be kept in school.

Any medication that is currently held at school which does not follow the above procedures will be sent home in due course.

Medication will be held securely in the medical room.

Thank you for your cooperation and support.

Recycling

Reduce - Reuse - Recycle

Please ensure your child brings a reusable water bottle to school every day, which they will be able to refill from the water fountains around school, as we will no longer be handing out plastic cups in an effort to lower single-use plastic waste.

We are currently implementing new recycling bins and will soon be adding another water fountain to the dining hall.

It is estimated that around 16 million plastic bottles used in the UK every day end up in landfill, being burnt, or entering the environment and waterways.

Earth Day - April 22nd

Attendance reminder for 2022/2023

Attendance

Good attendance in school is key to securing good outcomes and students achieving their target grades. Research shows that attendance and punctuality are vitally important to success at school and that there is a direct correlation between attendance and progress and attainment in school.

The attendance target at All Saints Catholic College is **96%**. We want to work with families to ensure that all students achieve this target.

The table below clearly demonstrates that if your child's attendance is at or below 90% over the academic year then they will miss four weeks of school. If your child's attendance remains at or below 90% over five years then, accumulatively, they will miss over half a whole school year.

Attendance during one school year	Equals days absent	Approximate weeks absent	No. of lessons missed
95%	9 days	2 weeks	45 lessons
90%	19 days	4 weeks	95 lessons
85%	29 days	6 weeks	145 lessons
80%	38 days	8 weeks	190 lessons
75%	48 days	10 weeks	240 lessons
70%	57 days	11.5 weeks	285 lessons
65%	67 days	13.5 weeks	335 lessons

If your child is going to be absent from school, please contact College before 8.30am on each and every day of absence.

Absence should be reported in the following way:

- **Telephone College on 01484 426466 and press Option 1 to report an absence**

Attendance is monitored daily and reviewed in full on a half-termly basis, with parents being notified of any concerns half-termly as a minimum.

We fully understand that young people will at times become unwell and will need to be absent from school, however, we feel that it is vital to encourage children to have resilience and be in school as much as physically possible. If your child is unwell at the start of the day, but starts to feel better later in the day, we encourage you to send them to school, even if this is just for the afternoon, as this will have a positive effect on their attendance.

Next term is an opportunity for all students to have a fresh start and we would want to help ensure your child's attendance is above the target of 96%.

The Attendance Team, your child's Achievement Coordinator and BfL Coordinator, as well as the Learning Tutors, are here to work with you and your child to ensure they achieve the best possible level of attendance.

Please do not hesitate to contact College if you need any help or support in relation to your child's attendance.

Queries regarding attendance can be emailed directly to your Achievement Coordinator.

Further information regarding attendance can be found in our Attendance Policy which is available on the College website <https://www.aschc.com/attendance/>.

Become a Governor at All Saints

All Saints currently has vacancies for both an LA (local authority), Co-opted and Foundation Governors.

Being a governor is a rewarding way of making a voluntary contribution to the lives of local young people.

Our Governors' core responsibilities are to:

- Plan the strategic direction and vision of the College.
- Oversee the financial performance of the College and ensure the money is well spent.
- Hold the Principal and Senior Leadership Team to account for the educational performance of the College and the performance of the staff.

Please note, nominations for our Foundation Governor vacancies should only be from practising Catholics.

We request that nominations for our Co-opted Governor vacancy are from applicants who do not have children at All Saints.

All governors must complete safeguarding checks.

Uniform

We thank you for your continued support so far this academic year with students' uniform.

Consistency is a key aspect of our School's ethos to ensure all students achieve the very best.

Therefore, we ask parents/carers to check your child's uniform and ensure it is in line with the School's Uniform Policy.

Guidance can be found on the School's website: [College Uniform - All Saints Catholic College \(aschc.com\)](http://www.aschc.com)

We are aware that families are under increased financial pressure currently due to the increases in fuel prices and the cost-of-living. If there is financial hardship which means you will struggle to correct a uniform issue in a timely manner, please contact us in College, and we will offer support, where possible.

Please ensure that your child is in the correct uniform at the start of the new half-term as this helps to avoid unnecessary conversations and/or sanctions when we undertake a full school uniform check during the first week back to school. Those students identified with uniform issues will be given the appropriate sanction and parents contacted until the issue has been fully resolved. Please note, any sanction issued is absolutely the last resort.

We are very proud of our school and of our students and believe that high standards of uniform, behaviour, being properly equipped and attending regularly give each and every one of our students the very best chance of learning well and achieving their very best.

Thank you very much in advance of your anticipated support and understanding.

College Uniform Update

Changes in line with the Governments' Education (Guidance about Costs of School Uniforms) Act 2021

With effect from September 2022, please be aware there is no longer a requirement for badged All Saints uniform items to be worn by students, **with the exception of the College blazer and tie.**

Both the College blazer and tie are compulsory items.

All other uniform items, including those required for PE, can be purchased from any clothing retailer, as long as they meet the College requirements which are available on our website <https://www.aschc.com/college-uniform/>.

A reminder of some of our uniform guidelines can be found below:

Trousers: Leggings or skin tight jeans/trousers are unacceptable. Trousers should not cling around the thighs, knees and calves. Trousers should be tailored fabric trousers.

Shoes: These should be plain black college-type shoes. Sensible shoes remain essential for the safety of students and slip on 'ballet style' or 'holiday' footwear is not appropriate in College. Fashion shoes, pumps, boots or trainers are not acceptable. Shoes should be worn with black socks.

Hair: Extreme hairstyles are not appropriate for school. There are many fashions that come and go and these are monitored. Hair needs to be of an even length with no Mohican tops or shaved sides. There should be no tramlines or patterns cut into the hair either. Hair colour should be natural e.g., no pink or other extreme colours are allowed.

Make-up and Nails: Make-up should not be visible and students will be expected to remove any visible make-up once they are in College. It would be better for them not to apply such make-up in the first place. Nail varnish and false nails are not allowed in College.

Jewellery: Earrings, stretchers or any kind of piercings should not be worn for College. Some students have piercings in or around their earlobe. These must also be removed for College, as should nose piercings. Likewise, only one bracelet can be worn for religious observance. Jewellery will be confiscated if worn in College.

Lost Property

Please find a list below of all items currently held in our lost property box. If any of these items belong to your child, please ask them to collect from Student Services before **Friday 21 April**. All unclaimed items after this date will be donated to Uniform Exchange as we do not have the facility to store lost items indefinitely.
