ADMISSIONS POLICY 2024-2025

Mission Statement

At All Saints Catholic College, our mission is to put Christ at the centre of our community. In loving and serving God and one another, we encourage everyone to flourish through learning.

We live out our mission statement by practising the virtues of:

- **LOVE:** To do everything for God, for others and for self with kindness
- **SERVICE:** To work together for the benefit of everyone
- **FAITH:** To be guided by the faith in all that we do, trusting in God
- **COURAGE:** Doing the right thing even when it is difficult
- **RESPECT:** To have respect for ourselves, each other, and our environment

Admissions

All Saints Catholic College was founded by the Catholic Church to provide education for children of Catholic families. The school is run by its Governing Body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government, and seeks at all times to be a witness to Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic Doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

If the number of preferences received is less than the admission number then all preferences will be met. However, when there are more applications than places available, priority will always be given to Catholic applicants in accordance with the oversubscription criteria listed below. By applying to this school parents, or carers, are declaring their support for the aims and ethos of the school.

The Governing Body is the admissions authority and has responsibility for admissions to the school and intends to admit 180 pupils to Year 7 in the school year which begins in September 2024.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription criteria

If the number of preferences received is less than the admission number then all preferences will be met.

ALL SAINTS CATHOLIC COLLEGE
ADMISSIONS POLICY 2024-2025

At any time where there are more applications for places than the number of places available, places will be offered in the following order of priority:

12. Other children.

Tie Break

- Where the offer of places to all the applicants in any of the categories listed above would still lead to oversubscription, the available places will be offered to those living nearest to the school. 'Straight line distance' will be used as the measure (see notes 8 & 9).
- If two or more pupils live equidistant from the school, places will then be decided by random allocation (see note 10).
- Where there is more than one application from a postal address contained within a block of flats, places will be decided by random allocation (see note 10).

Application Procedures and Timetable

To apply for a place at this school in the normal admission round (Year 7) a standard application form, known as the Common Preference Form must be completed online and returned to the Local Authority by 31 October 2023. Failure to complete an online Common Preference Form would mean that the application is not valid.

For Kirklees residents - <https://www.kirklees.gov.uk/beta/schools-and-education.aspx#admissions>

For Calderdale residents - <https://www.calderdale.gov.uk/v2/residents/education-and-learning/schools/admissions>

If parents feel that they should be in a specific category i.e. Baptised Catholic, they should complete a Supplementary Information Form and provide the required evidence. The Supplementary Information Form is attached to this policy and should be submitted by 31 October 2023 directly to The Admissions Officer, All Saints Catholic College, Bradley Bar, Huddersfield, HD2 2JT. Therefore, failure to provide a Supplementary Information Form (SIF) could affect the category your application is placed in. Please note that it is the responsibility of the parent/carer to complete all forms and supply evidence – reminders will not be sent.

ALL SAINTS CATHOLIC COLLEGE
ADMISSIONS POLICY 2024-2025

Parents or carers will be advised of the outcome of their applications on 1 March 2024 **by the local authority on our behalf**. Unsuccessful applicants will be given reasons related to the over-subscription criteria listed above and advised of their right of appeal to an independent appeal panel.

Late applications

If you return the Common Preference Form after the deadline, we cannot consider your application at the same time as those received on time. Late applications will be dealt with once all other applicants have been considered in accordance with the Local Authority Co-ordinated scheme.

Admission of Children Outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to The Admissions Officer, All Saints Catholic College, Bradley Bar, Huddersfield, HD2 2JT at the same time as the application is made. The Governing Body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the Principal, including the Principal's statutory responsibility for the internal organisation, management and control of the school, the Governing Body will take into account the views of the parents and of appropriate medical and educational professional as appropriate.

In Year Applications

An application can be made for a school place for a child at any time outside the admission round and the child will be admitted where there are available places. Applications should be made direct to the school in writing using the Kirklees In-Year Common Application Form (ICAF) which can be found on the Kirklees Council website <https://www.kirklees.gov.uk/beta/admissions/pdf/in-year-admissions.pdf>. You can also contact the school via 01484 426466 or admissions@aschc.com. Further details of the application and admissions process can be found on the school website (<https://www.aschc.com/admissions/>)

You should also complete a Supplementary Information form if you would like your application to be considered in a specific oversubscription category. Where there are places available but more applications than places, the published oversubscription criteria, as set out above will be applied. If there are no places available, the child will be added to the waiting list (see below).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel. (Details of the appeals process can be found on the school website).

Waiting lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in the order of the oversubscription criteria set out above, and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. Names are removed from the waiting list at the end of each academic year. **Inclusion on the waiting list does not mean that a place will eventually become available.**

Fair Access Protocol

The school is committed to taking its share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the Governing Body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Governing Body has this power, even when admitting the child would mean exceeding the published admission number.

ALL SAINTS CATHOLIC COLLEGE
ADMISSIONS POLICY 2024-2025

Notes (these notes form part of the over-subscription criteria)

- 1. An Education, Health and Care Plan** is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
- 2. Looked After Child** has the same meaning as in section 22 of the Children Act 1989, and means any child in the care of a local authority or provided with accommodation by them e.g. children with foster parents. A **'Previously looked after child'** is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the Governing Body) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.
- 3. Catholic** means a member of a church in communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic church, or a certificate of reception into the full communion of the Catholic Church, alternatively a letter from a parish priest confirming membership of a church in communion with the See of Rome.
Looked After Children from Catholic Families – this has a dual meaning. It could be the child themselves who are baptised Catholic or it could be the family who are caring for the child that is Catholic. If it is the child who is a baptised Catholic normal rules apply and a baptism certificate should be seen by the admission authority. However, (in limited situations) this may not always be possible and in these cases the admission authority should seek to ensure that there is evidence that the child has been baptised. If a child is placed with a Catholic family who wish the child to have a Catholic education this should be evidenced by a letter from a priest evidencing the baptism of the parent/carer.
- 4. Sibling(s) (brother or sister)** includes children with a brother or sister (including step-siblings, adoptive siblings and foster siblings) of statutory school age, living at the same address, in attendance at the same school on the date of admission.
- 5. Defined area** is a geographical area for the purposes of this policy as determined by the Diocese of Leeds. Please see school website (<https://www.aschc.com/admissions/>) for defined area maps.
- 6. Eastern Christian Church** includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that church.
- 7. Twins or triplets (or multiple births)** - where a family of twins or triplets request admission and if one sibling has been offered the last available place the other twin/triplets are offered a place.
- 8. Live** - In all categories "live" means the child's permanent home address. A child is normally regarded as living with a parent or guardian and we will use the parent or guardian's address for admission purposes. You cannot lodge a child with a friend or relation in order to gain a place at a school. For admissions purposes only one address can be used as a child's permanent address. When a child lives with more than one parent/carer, at different addresses, we will use the preference expressed by the parent/carer at the address where the child lives the majority of the time during the school week as the main place of residence.
- 9. Straight line distance** - in all categories, when decisions have to be made between children satisfying the same criterion, children living nearest to the school, using a straight-line measure, have priority. Measurements are calculated using six-figure National Grid Co-ordinates taken from the National Land and Property Gazetteer. This grid reference refers to a point that falls within the permanent building structure corresponding to the address. The boundary of the building structure for the address is derived from Ordnance Survey's MasterMap.
- 10. Random allocation** – this is only to be used when the last place to be offered would fall into one of the two categories above i.e. children living in a block of flats or children who live equidistant from the school using straight line distance criterion. An independent person will be used to make the random selection.
