

## NEWSLETTER 2023.2024 HALF TERM 6

### Principal's Message

*Dear Families*

We end this year on a high note with the soft launch of our Positive Discipline Policy being very well received by our students. It is true that we have stepped up our expectations, but it is equally true that our students have met the challenge. It is a joy to see our youngsters waving their planners, justifiably proud of the reward stamps they have received for living out our Focus Virtues and applying themselves to learning. Essentially, they are really aspiring to be the best version of themselves and that is truly wonderful.

We have identified our successes and our areas for further development as a school and have been very ably supported by members of our wider community. Thank you very much for your feedback to us in our survey.

Our Lourdes pilgrims thoroughly enjoyed their experience and now have associated memories to last a lifetime as well as having deepened their relationship with God. After all the help they have given to other pilgrims, I always think how they are such gifts from God in their own right and I am delighted at their return home safe and sound.

Students have been recognised for their efforts across the term in the final assemblies, badges and year-end trips. I sincerely hope that each and every one of them realise how they are a priceless member of our community.

The summer holidays are upon us and we wait with anticipation for the results of public exams for Year 11. These are the rite of passage to the next step in their educational journey.

Similarly, the Year 6 have had their transition experiences and we are very excited to receive them in September. As every year group move up a level in seniority, we can identify how they have developed and matured in so many ways.

We will have some external works completed in the summer to tidy up around the All Saints Annexe, which is a very welcome addition to our facilities. This will complement the rest of our grounds which are very pleasant and worthy of our community.

Wishing you all a safe and peaceful summer.

God bless

*Karen Colligan*

# Chaplaincy Update

This last half term has been very busy for Chaplaincy, with a pilgrimage to Lourdes in the middle as well as all the usual prayer and worship events in school. We have been to Mass with the Bishop on numerous occasions as he accompanied us to Lourdes and we visited him in Leeds Cathedral too. We have been to Revelation and the new dates have been published ready for next year.

The staff Chaplaincy group have met to start planning staff faith development opportunities and wellbeing.

Adoration was well attended at the start of the half term and once again was a beautiful, prayer filled experience for students and staff. Next academic year, Fr John will be joining us to live stream the benediction at the end so that the whole school has an opportunity to pray before the Blessed Sacrament.

Our student Chaplaincy groups have continued to meet and we will be launching the new intake with Year 7 in September, and look forward to continuing our work in love and service for the school and wider community.

Cian in Year 10 has been accepted into 'The Twelve', a group of young people from across the Diocese who take on various projects at the request of the Bishop. They provide the young people's viewpoint of the church and its mission in talks with the Bishop. It is a great honour for Cian to work closely with the Bishop and to be active at a Diocesan level.

His appointment is very much in recognition of his contributions to his own Parish and to the Catholic life of our school.

Students and staff from All Saints joined many other schools in the Diocese in presenting our Good Shepherd fundraising to the Bishop as part of a special service in Leeds Cathedral. The students had the honour of being selected because of their numerous contributions to the Catholic life of the school, willing to volunteer to help in services and Masses on a regular basis, or for being part of the SVP group. They carried the school banner in the procession at the start of the service and spoke to the Bishop as they donated our contribution. The money raised supports the valuable and wide-ranging help that Catholic Care provides to many people within the Diocese.

# Lourdes 2024

On the 4th of July, all our preparations for the Lourdes Pilgrimage came to fruition as we embarked on the epic coach journey to the south of France. We were blessed with a great group of students who were willing to fully involve themselves in every aspect of the pilgrimage; pushing wheelchairs, chatting with the assisted pilgrims, carrying banners and candles, singing and praying. Fr John added much to our spiritual journey as did the Franciscan Sisters and Brothers who accompanied us. We met familiar faces from the parish and the All Saints community as well as pilgrims we had met before. Daniel and Cian were thanked by the Bishop for their altar serving throughout the week. We lit a candle and left it at the domain to hold our prayers for our community. Our prayer petitions from school and some of the parishes of the students were delivered to the grotto and were offered in the Mass there. Thanks to Mr Smith, we did some light painting whilst in the domain. Take a look at Leeds Youth on Instagram for a review of all we did.

Preparations for Lourdes 2025 have already begun, with a good number of students already signed up for when they are in Year 10. For further information please email Mrs Sharkey or Mrs Rhys-Hill.

*Our Lady of Lourdes Pray for us*

# Youth Service Events

*The biggest Catholic youth event in England and Wales is back!*

Join 1000s of young people for a day of great worship from an array of artists, thought-provoking talks from brilliant speakers, and a powerful experience of Church!

PASSES: £70 (including return coach travel)

All Saints students have been attending the monthly Revelation events run by the youth service, meeting students from other schools and growing in faith. We will continue to attend next academic year and hope to take additional students with us.

The biannual Flame event in London is happening in March 2025 and Ryan, a Youth Officer for the Diocese, has a role on the planning committee and is involved in the media aspect of the event. We are looking forward to joining the 8,000 young people at this event and finding out about all the work Ryan has been doing.

If your child is interested in any Youth or Chaplaincy events, please speak to Mrs Rhys-Hill for further information.

# Year 11 Leavers Mass

Fr Sean celebrated the Year 11 Leavers Mass to bid farewell to our Year 11 students, giving thanks for their time at All Saints and praying for their continued path through life.

Our ministry students who served and read have been actively involved in Chaplaincy since Year 7, and this was their final opportunity to contribute to a school Mass.

We would like to thank Jacob, Ben, Gayle and Fintan for all their service to Chaplaincy throughout their time at All Saints and their example as faith leaders.

We ended the Mass in song with a hearty rendition of 'Oh When the Saints' thanks to Mrs Sidwell and the school band.

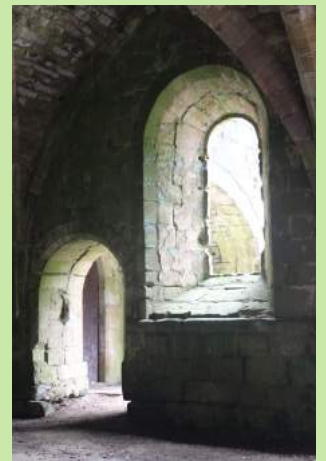

# Fountains Abbey

Three coaches of Year 8 students visited Fountains Abbey for their rewards trip to end the year. There was time spent in the Abbey, the Mill and in the lodge finding out about the life of the monks and marvelling at the architecture of the Abbey. Fr John celebrated Mass and drew parallels with the Masses and prayers of the monks from previous centuries and with present day orders. We all had time for a picnic lunch and expended some energy playing football on the field as we had good weather.

# Cost of Living Voucher

Kirklees has funded £60 cost of living vouchers for families of children in receipt of means-tested Free School Meals.

The voucher was issued via Wonde, our preferred voucher supplier on Friday, 19<sup>th</sup> July.

It is important to note this is not a 'Free School Meals payment', it is financial support on a broader scale, reflecting the current financial challenges being faced.

Kirklees Council offers a range of support to anyone who is struggling, not just children.

We would like to remind families that Kirklees Local Welfare Provision (LWP) scheme helps vulnerable people in short-term crisis with food and essential items.

Entitlement for help is based on a person or family's circumstances at the time, and is discretionary.

Contact Local Welfare Provision if you or your family are in immediate need or hardship:

- Email - [lw@kirklees.gov.uk](mailto:lw@kirklees.gov.uk)
- Call - 01484 414782 (10am to 4pm, Monday to Friday excluding bank holidays)
- Online - [Local Welfare Provision | Kirklees Council](#)

Kirklees residents can find support to help manage the increase in household bills on the Kirklees Council website: [www.kirklees.gov.uk/cost-of-living](http://www.kirklees.gov.uk/cost-of-living)

# Transport Update

## Important Information - C78 Halifax School Bus

Please be aware that, starting from September 2024, First Bus will no longer issue travel passes for students attending our school. This decision has been made by the bus company due to repeated violations of their terms and conditions by students who have been using other forms of bus passes for this dedicated C78 school route.

Despite numerous reminders to parents regarding the use of First Bus travel passes for All Saints, students have continued to board the bus with MetroCards.

As a result, from September 2024 onwards, if your child wishes to use the C78 Halifax First Bus Service, the only available fare will be a single fare costing £2 each way. Please ensure your child has the correct change for each journey.

For students wishing to continue to use a MetroCard, they will need to travel on the public service 548/549 from Halifax to Brighouse and transfer to the X63 bus. Please note, this is not a dedicated school bus service and you will have to refer to Metro for the dedicated timetables and routes.

# School Meal Prices

We have been advised by Kirklees that, from September 2024, the price of a school meal will be £2.90.

This is a set price across all maintained high schools in Kirklees where food is supplied by the local authority.

The £2.90 meal deal includes a hot meal and either a hot pudding with custard or a home bake (biscuit/flapjack/cake/muffin).

Please be aware that a drink (small bottle of water) is no longer included in the meal deal, and so we recommend that students bring a refillable water bottle with them to school each day.

A new 4-week menu will be available after the holidays, details will be available on our website from September.

# Welcome New Year 7s!

Hello, Year 6 students.

We are really looking forward to you joining us in September.

We hope you are excited to learn lots of new things and meet lots of new people when you come to All Saints.

See you on Tuesday, 3rd September.

Have a great summer!

## Parent Forum Survey

Education is always more successful when a school works with parents and carers. We are always keen to hear your views and plan to hold regular Parent Forum meetings next academic year, where you can discuss your views with us via Microsoft Teams.

Regular consultation with parents is really important to us, and the Parents' Forum provides a valuable way for you to communicate and for us to listen to your ideas and concerns, seek your views and ensure we are meeting the needs of our students.

Why get involved?

- To give your opinion and be involved in the decisions that are made in school.
- To hear other parents' views and contribute to the wider school community.

To help us with our planning, please complete our Parent Forum Survey using this link:

### The Science Department's Big Bang Fair Trip - 19<sup>th</sup> June 2024

The sun finally came out as our science department and a coach full of Year 8 students undertook our now annual trip to the Big Bang science festival at the Birmingham NEC.

This is the United Kingdom's largest celebration of STEM (science, technology, engineering and maths) for young people, and is one of the largest youth events in the UK.

Full of enthusiasm and energy, our students dived straight in and engaged in over 70 hands-on activities brought to them by many universities and companies, including Rolls Royce, Jaguar Land Rover, National Grid, Birmingham City University and Specsavers.

They also chatted to 'real life' scientists and engineers about what they do and how they get inspired.

Overall, another successful trip from the science department and we are already looking forward to Big Bang 2025!

# Maths Roundup

It has been a successful year in maths.

In the UKMT (Mathematics Trust) challenges, our students have been awarded as follows:

## Junior Challenge

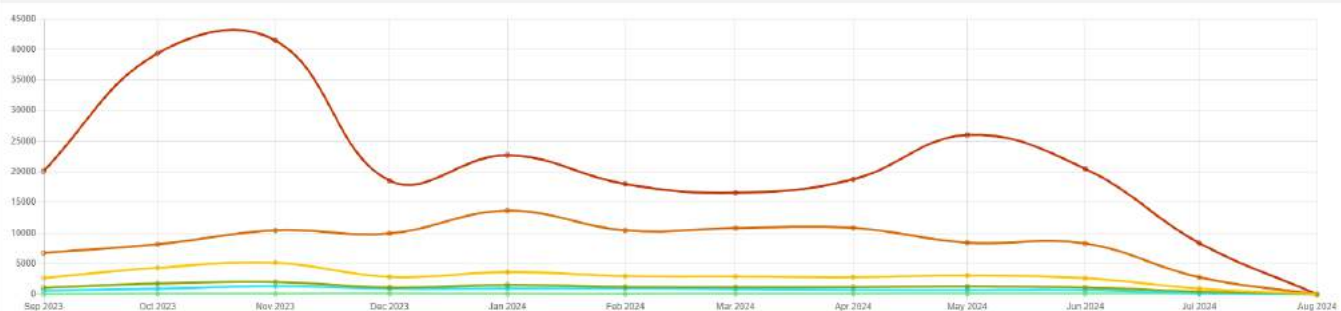

13 Bronze, 4 Silver and 3 Golds

## Intermediate Challenge

10 Bronze, 5 Silver and 1 Gold

Students are using MathsWatch well, with over 351,000 questions answered correctly in the year.

**We have set some summer homework for Year 9s and 10s to help them prepare for their GCSEs. Please encourage them to complete these.**

We would also encourage you to sign your child up to **Eedi Summer Club** which is a maths summer program **100% free of charge** that will help to boost your child's confidence in maths so it's sky high for the new school year!

Your child will first take a quick dynamic quiz to create an independent learning pathway perfectly suited to their learning level. Then, they will receive recommended maths topics in the form of quizzes that will help them improve the most over a four-week period.

Your child will get unlimited access to help videos, fluency practice questions, and mastery activities to keep them engage with their maths over the holidays. You'll also get weekly reports on their progress.

By completing weekly assignments, your child will be automatically entered into a weekly prize draw for a £20 voucher of their choice. At the end of the summer, we'll also reward the most committed students and schools with special prizes.

If your child does not already have an Eedi account, simply follow the steps below:

## Year 9 and 10 Fair

### Careers Fair - Friday 14th June 2024

Year 9 and Year 10 students enjoyed the opportunity to meet and talk with representatives from The University of Huddersfield, University of Bradford, Huddersfield New College, Greenhead College, Creative and Media Studio, Kirklees College, LLS Sports Sixth Form and a number of local employers and training providers including, Camira Fabrics, The Link Training, The Royal Air Force, NHS, AKLD Training and Broadbent.

The feedback from the exhibitors about the students was extremely positive with comments including:

- *'It was great to chat to the students and I really enjoyed the morning.'*
- *'It was lovely to meet the students, they were engaged and showed a real interest in talking to us about their careers.'*
- *'The students were excellent, and we really enjoyed meeting them.'*
- *'The students were focused and had some great questions.'*
- *'Thanks for having us, the students were really engaged and asked really good questions. It was really well organised too.'*
- *'Please pass on to the staff that their Year 9 and Year 10s were very knowledgeable about universities, their career choices and what they want to do. It was quite impressive!'*

The Careers Fair helped to familiarise students with possible routes for post-16 where they obtained information, advice and guidance about career ideas for the future and it was an ideal way for them to gain insight and inspiration as to what they may want to do after All Saints.

We are extremely grateful to all the providers who gave up their time to support the students at the event and all school staff involved in preparing the students for the event to ensure that they could engage well on the day and make the most of their time with the exhibitors.

### Key Stage 3

We continue to use POL ED workshops as part of our Relationships, Sex and Health Education programme.

Key stage 3 students took part in workshops as part of our May and July drop down days.

POL ED have introduced an area for parents to view the resources used. Please use this link for more information: [A positive force in education | Pol-Ed - A positive force in education](#)

#### Year 7

##### What is Child Criminal Exploitation?

###### Think, pair, share...

Child Criminal Exploitation (CCE) occurs when an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child or young person under the age of 18.

The victim may have been criminally exploited even if the activity appears consensual. 'County lines' is an example of Child Criminal Exploitation.

Please be ready to feedback!

##### How do I report a concern?

###### Think, pair, share...

Who is there to talk to in school?

Work in small groups with one of the scenarios from the worksheet. 'Why don't they report it?' Be ready to feedback.

#### Year 8

##### What is Anti-Social Behaviour?

###### Think, pair, share...

What do the following words mean?

- Harassment
- Alarm
- Distress

What sort of behaviour would these words be describing?

- Can you give any examples?
- Can you use these words in a sentence?

##### What is Stop and Search?

###### Think, pair, share...

A police officer must have a reason to stop you and this must be explained clearly to you. They must also treat you respectfully.

To search you they must tell you:

- their name and police station
- what they expect to find, for example, a stolen item
- the reason they want to search you
- why they are legally allowed to search you
- that you can have a record of the search

#### Year 9

##### What is the issue with nudes?

###### Learn about it...

###### What's the law?

The Protection of Children Act 1978, and The Criminal Justice Act, 1988 say: Taking, possessing, or sharing sexualised images of any person under the age of 18 is a criminal offence.

Despite the legal age for consenting to sex is 16. Even if the young person consented to the pictures being taken, or took the pictures themselves.

##### What is Child on Child abuse?

###### Think, pair, share...

Is it abuse?

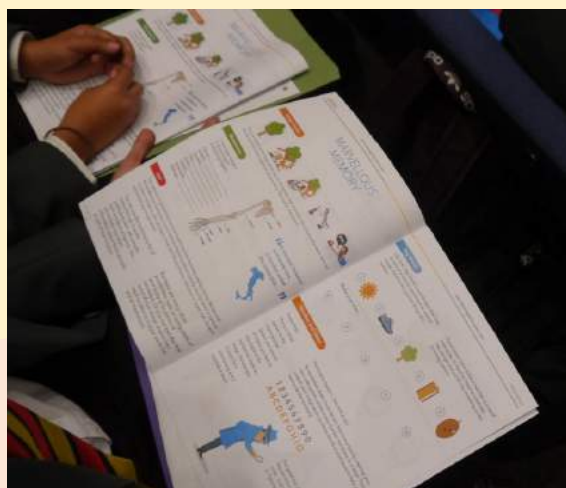

Please read the scenarios and decide, in your small group, whether the situation is abusive, and what, if anything, the main characters could or should do.

Please be ready to feedback!

### Key Stage 4

As part of our May drop down day, Year 10 took part in 'Strategies for Success' workshops by Learning Performance.

This will support Year 10 in memory and revision skills for their GCSE exams.

In July, Year 10 learnt about Substance Abuse and Relationships

It was a pleasure to have Councillor Amanda Pinnock return to her former school to talk to our students about the support she gives our local community, and how young people can become involved.

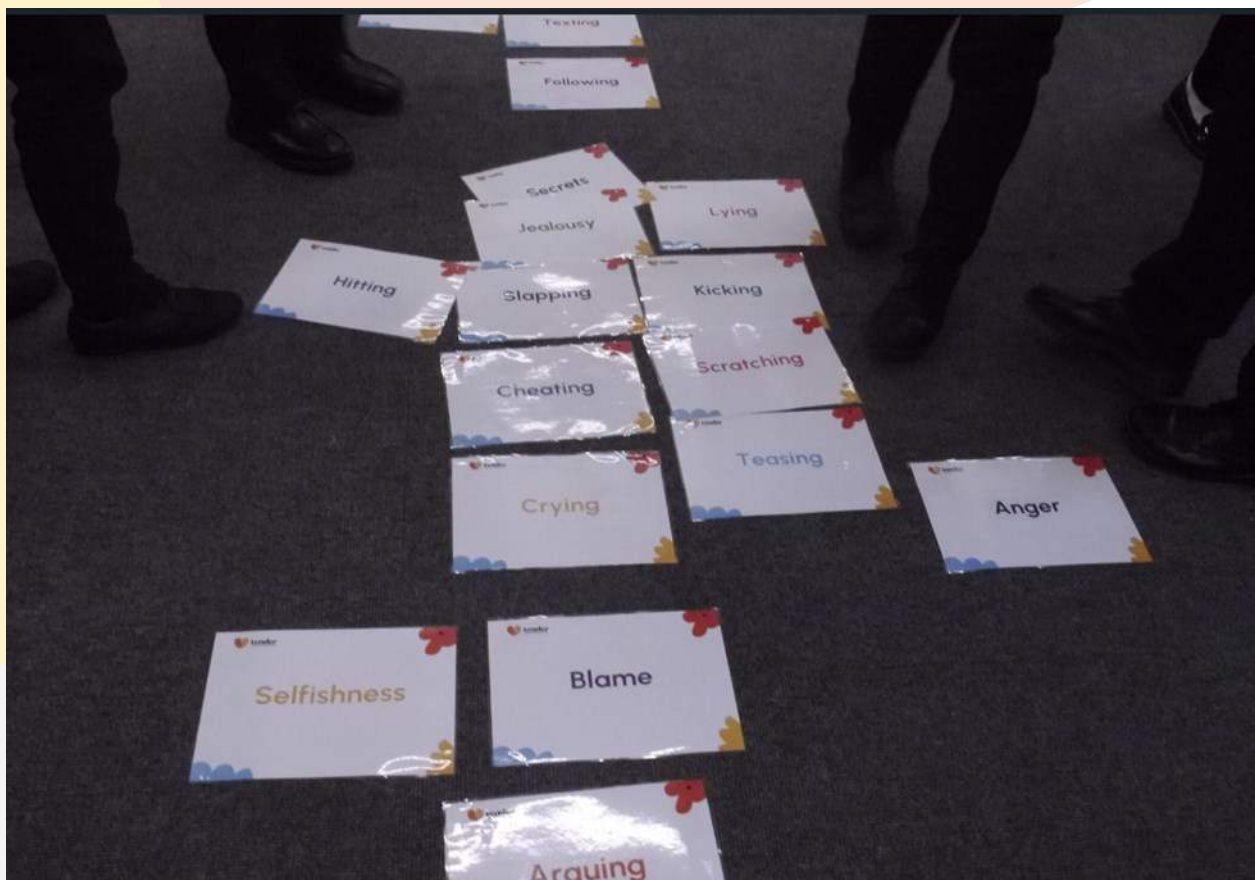

# Tender Workshops

It was a pleasure for Tender to return to All Saints on the 22<sup>nd</sup> and 23<sup>rd</sup> May to deliver their healthy relationships workshops, to support our Relationships, Sex and Health Education programme.

20 Year 8 students took part in the workshops and presented their drama performances on healthy relationships.

To find out more about the work of Tender, visit: [Acting for healthy relationships - Tender](#)

# Tender Awards Ceremony

This half term, a number of our students attended the Tender Awards Ceremony at the Unicorn Theatre in London, and were lucky enough to meet some famous faces!

Students travelled to London with Mrs Kesterlian and PC Sally Baines to receive the award from Jess Philips. Other presenters included Jodie Whittaker and David Tennant.

Tender is a charity acting for healthy relationships. They work with schools to provide age-appropriate relationships programmes. Teaching includes real life scenarios; role play and drama.

# Attendance

## FFT Award

FFT collects daily attendance data from over 10,500 schools.

Awards are given to schools with attendance in the top 10% and top 25% of all FFT schools nationally.

We continue to receive awards for our attendance achievements. Recent certificates can be seen below.

Congratulations to every student who has maintained high attendance levels and those staff involved with attendance in school, who have all contributed to our success!

# Former Student News

Great Osobor, a former All Saints student, has signed a deal in the US with Washington State Men's Basketball team.

### Great Osobor Signs With Washington Basketball

In an interview with ESPN he commented, "I would like to thank God for putting me in this position... I look forward to using my platform to proudly represent my family and be a role model to my two younger sisters."

We wish him every success with his basketball career!

# Stronger Starts Fund

## Call out for votes for All Saints to receive a share of Tesco's Stronger Starts fund

We are delighted to share with you that we have been successful in being given the opportunity to receive a cash boost from the Tesco Stronger Starts scheme.

Our project, "Musical Instruments for Break Time" will help to fund the increase of the number of keyboards available at our school. These keyboards will be used not only during music lessons but also during breaks and lunchtimes, to help students support their wellbeing.

Stronger Starts provides grant awards of up to £1,500 to local community projects, with a particular focus on children and young people. Three groups in every community have been shortlisted to receive grant awards and Tesco customers can vote for the group they think should take away the top award in their local Tesco store. All Saints is one of the groups on the shortlist in the Huddersfield area in the following stores:

- Huddersfield Main Store, Viaduct Street, Huddersfield. HD1 1RW
- Halifax Express, 215 Halifax Road, Huddersfield. HD3 3QP
- Marsh Express, New Hey Road, March, Huddersfield. HD3 4AH

To check the location of any of the above stores, please go to the Tesco website here: <http://www.tesco.com/store-locator/uk>

## We need your support as a customer to vote in local Tesco stores from July to August

Customers will cast their vote using a blue token given to them at the check-out each time they shop. To vote, you will need to make a purchase within store of any value. You will receive one token per transaction and it's not necessary to purchase a carrier bag in order to receive a token.

The project with the highest number of votes across our region will receive £1,500, the second placed project £1,000, and the third placed project £500. Feel free to share this list of stores amongst your family, friends and neighbours within your community.

Once voting has concluded in store, votes will be collated during the month of October and we will be notified of the outcome of the public vote during early November.

[Tesco's Stronger Starts - previously known as Tesco Community Grants - has already provided over £133 and over 65,000 projects across Britain.](#)

This £5m Stronger Starts grant programme, delivered in partnership with Groundwork UK, helps schools and children's groups provide nutritious food and healthy activities that support young people's physical health and mental wellbeing, such as breakfast clubs or snacks, and sports equipment for after-school clubs.

Funding is available to community groups and charities looking to fund local projects that bring benefits to communities, particularly those helping to provide food and giving children the support they need for a good start in life. Anyone can nominate a project and organisations can apply online.

# Early Closure

## Important

***Please read the email shared via EduLink on Wednesday, 27th March, with guidance on how to find the parental consent section on EduLink both for the App and the online version.***

***We ask parents to ensure your preference has been selected by Monday, 2nd September***

Further to the early closure of school due to snow earlier this year, we took feedback from both our staff and parental emails that we received. We have updated our Early Closure Consent options as follows.

### **New Early Closure Consent Options:**

The following options are now available to select from on EduLink. Please only select ONE option. Multiple selections will not be accepted as they cause confusion and could delay the release of your child. Please consider mirroring your selection for each sibling in school.

Wait to be collected from reception (please collect within 30 minutes of the notification)

*Your child will remain in their form room until you arrive in to reception to collect them.*

Leave site and make their own way home (this includes walking home, going to someone else's house, using public transport, being collected by car on the main road)

*Please do not drive on to the school site as we cannot guarantee your safety in poor weather conditions. School parking permit guidance still applies.*

Wait for school bus/make their own way home (if the school bus is cancelled/delayed my child can make their own way home)

*We will advise parents/carers of the expected bus arrival time when we message you to inform you about the closure.*

*If the bus is cancelled or the bus is delayed to a time after school needs to close, your child will be released to make their own way home. We will send a message to parents/carers to inform you if this happens.*

*'Make their own way home' for this option includes the same examples as above.*

Wait for school bus/wait to be collected (if the school bus is cancelled/delayed my child must wait to be collected – please collect within 30 minutes of the notification)

*We will advise parents/carers of the expected bus arrival time when we message you to inform you about the closure.*

*If the bus is cancelled or the bus is delayed to a time after school needs to close, your child will wait to be collected. We will send a message to parents/carers to inform you if this happens. Please collect your child within 30 minutes of the notification.*

# EduLink One Communication

A polite reminder of our preferred communication channel between parents/carers and the school. This system allows us to support you in monitoring your child's progress, updating us with contact and medical information, receiving communications from school, booking after-school activities, and most recently, booking appointments for parents' evenings.

The transition to EduLink One has been success although we still have a small number of parents/carers who are yet to activate their account. We encourage you to do this as soon as possible to ensure you are not missing out on important information and opportunities for your children.

EduLink One is free to access on any modern web enabled device, either via [www.edulinkone.com](http://www.edulinkone.com) on a web browser on PCs, laptops, tablets and mobile devices or, with the dedicated app on Android or iOS.

You are eligible to access EduLink One if you are a parent/carer with parental responsibility for a student at All Saints Catholic College. If you have more than one child at the school, you will only require one account. You will need the following information to log in:

School ID	You can either use ASCC or HD22JT
Username	You will receive an email with your username details.
Password	You can change your password once you have logged in.

Log in details have been sent to the email address you have already provided to school from [edulink@aschc.com](mailto:edulink@aschc.com). Please check your junk mail if you have not received this.

A Parent Guide for using EduLink, along with links to videos, are available on our website, <https://www.aschc.com/edulink-one-parents-guide/>.

If you require any support or advice getting EduLink One setup, please email:  
[edulink@aschc.com](mailto:edulink@aschc.com).

You can access your child's details, timetable, attendance, behaviour, achievement points, book your parent evening appointments and secure your child's after-school club place(s). All messages, notifications and emails are now sent to parents/carers through EduLink. Please ensure you turn on notifications for the app to ensure you do not miss any messages. Only urgent whole school messages will be sent by text, all other messages will be sent as push notifications through the app - these will appear as pop-ups on your device.

The only other service parents/carers will need to make use of is ParentPay for paying for school lunches, trips and purchasing other items such as ties, calculators and revision materials.

Students can now access this system with their own school log in details, but cannot use this to secure their place for after-school clubs and events. This must be done by a parent/carer using their own log in details.

# BOX TO BEAT IT

## MENTAL HEALTH SUPPORT FOR YOUNG PEOPLE

### What is Box to Beat It?

Box to Beat It is a 12-week programme that uses non-contact boxing and mentoring to improve young people's well-being. The programme has been designed together with young people and in partnership with mental health charity Mind.

Throughout the programme, young people will work through a series of activities that give them the tools to support their mental health.

### Who is Box to Beat It for?

Box to Beat It is aimed at young people aged 10 - 16 years old who are experiencing mild to moderate mental health problems. It is also suitable as a preventative measure to educate young people on their wellbeing. Young people must be able to work in small groups.

### Who are the coaches?

All coaches are England Boxing qualified coaches with DBS, Safeguarding and First Aid qualifications. Additionally, coaches are Mental Health First Aid trained and experienced in supporting young people who are experiencing mental health problems.

### How can I refer a young person?

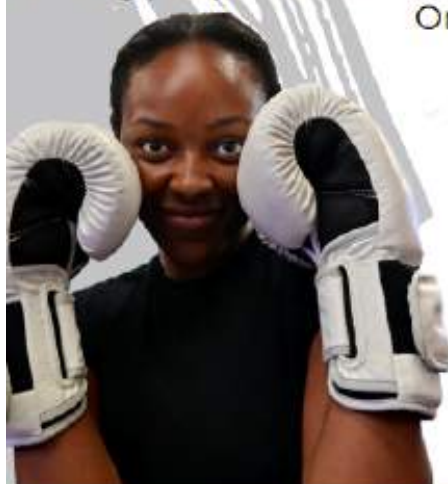

Young people can be referred by a Health Practitioner, Link Worker, Community Organisation or they can self refer.

# THE KIRKWOOD SUMMER CHALLENGE

## Do your own 74 challenge!

Why not join the fun and create your own fundraising event for The Kirkwood, with the theme of 74...

74 mile challenge - on your bike, on foot, or how's about in a wheelbarrow? 74 cupcakes baked and sold... 74 sheep sheared... a 74 person conga around town... or maybe even 74 minutes sat in a bath of beans...

**Anything goes this summer!**

**The Kirkwood Summer Challenge** runs for **74 days**, starting Wednesday 10th July and finishes on the last day of Helen & Keith's epic Kirklees Way walk, on Sunday 22nd September.

We've medals waiting for everyone who takes part in any event to help raise funds!

## YOUR WAY

### The Kirkwood

Through thick and thin, giant hugs and bottomless mugs, The Kirkwood Support Life for anyone affected by a life limiting illness. They focus on what matters to people. They take time to understand their needs and aspirations. And they work tirelessly to support them to achieve their goals.

### Keith and Helen's Story

Keith and Helen are long-term volunteers with The Kirkwood. Last year Keith was doing a sponsored walk for The Kirkwood which was interrupted when Helen had a heart attack. She had a triple bypass. Since then they have decided to celebrate her recovery by doing a joint long-distance fundraising walk for The Kirkwood.

**Keith & Helen have chosen the Kirklees Way - 74 miles around Kirklees with The Kirkwood at its heart.**

They are currently training and exploring the walk in readiness for their event in September - 14th - 22nd. 74 also links to Helen's birthday which she will actually celebrate during the walk. They would love individuals, families, businesses and groups to get involved in The Kirkwood 74 campaign which is going to run alongside. Medals will be available for every individual or team who takes part and helps raise some funds. We so appreciate every single contribution to help The Kirkwood carry on Supporting Life across Kirklees.

### How to support:

## 4 KIDS BUY BOOKS CHANGE LIVES

**Do you want to support our school?**

**Do you buy books?**

**If so, we need your help!**

**[LoveReading4Kids.co.uk](https://www.LoveReading4Kids.co.uk) is an online bookstore with social purpose. When you buy a book, you can donate 25% of the spend to a school of your choice, to purchase books.**

The LoveReading family — [LoveReading](https://www.LoveReading.co.uk) and [LoveReading4Kids](https://www.LoveReading4Kids.co.uk) exists because reading matters, and books change lives.

Reading is key to unlocking success across the curriculum. We know that improving reading standards has a huge impact on students' wellbeing, academic achievement, and future success. But it's a real challenge affording the latest and greatest children's books with declining school budgets. However all is not lost, there is a new way to help redress that shortfall through the launch of two online bookshops with social purpose.

### **Buy books, change lives - how it works**

When book lovers buy from the LoveReading and LoveReading4Kids bookstores, 25% of the cover price can be donated to a school, such as ours!

At checkout, you will be asked to donate to a school, and this automatically and immediately gives us the 25% to spend on books.

If you are looking at buying books for your children you take take a look at our school's page here where we have created some recommended reading lists

In addition, we have created a wishlist of books we'd love to have in school, but are unable to currently afford. If you can help us, we would be very grateful for your support. Take a look at the list here, and thanks in advance for all you do for our school.

Like we said at the start, reading matters, books change lives, and joining this community will ensure that we will continue to be able to invest in reading for pleasure at our school and get fabulous books into the hands of our children.

## **IGNITE YOUNG COMPANY**

### A Parent's Guide to Cyberbullying

**Many young people who are victims of cyberbullying suffer in silence.**

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

**It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.**

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

**Parents** please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
