

NEWSLETTER 2024.2025 HALF TERM 6

Principal's Message

Dear Families

As we reach the end of term, I am pleased to say that it has been a successful year according to our community as identified in the various surveys which we have run. And, after all, it is *your* opinions that count.

I really appreciate those families who have engaged in the parent survey and I would just like to identify some of the All Saints responses from your feedback: the requirements relating to shoes have been relaxed. The update to our policy in this regard, can be found on page 6. Homework is an active focus for us and the consequences for not attempting it have been altered as needed. The PE kit list has been revised.

The other surveys went to staff and the students and we are in the process of responding to them. They too continue to contribute to our strategic and operational approaches in the effort to continually improve the service we give.

School life, I feel, needs to be enriching and we develop our students' experiences year on year. The rewards trips are now end-of-year trips and bring to close a year of evolving processes to celebrate students' efforts, attitudes and achievements.

This year of the Jubilee, as declared by the late Pope Francis, has been a wonderful year of worship, building on friendships and strengthening bonds. Whilst the year ends on the Epiphany, there are some legacy events that we are adopting going forward. Details will be shared.

Our Lourdes pilgrims are back up in numbers to pre-pandemic levels and this remains a milestone experience in the lives of our Year 10s.

As we turn our focus to the next academic year, we continue to aim to be the best versions of ourselves, staff and students alike, as we strive to love, serve and learn.

And whatsoever you do, do it heartily, as to the Lord, and not unto men;
Colossians 3:23

I wish you all a wonderful, safe summer.

God bless,

Karen Colligan

Cost of Living Vouchers

Kirklees Council will be funding one-off Cost of Living vouchers for families of children in receipt of means-tested Free School Meals who are eligible as at 03/07/25. Kirklees Council will be using government funding to pay schools for the vouchers. The value of the voucher will be £50 per eligible child and will be sent via Wonde, our preferred supplier, to your email address. For more information on how to access your voucher, visit [How to access your FSM Voucher from E-Voucher - All Saints Catholic College](#).

Important dates:

Tuesday, 2nd September - Back to school Year 7 and Year 11

Wednesday, 3rd September - Back to school all year groups

Our Motto

Love • Serve • Learn

Our Mission

Our mission is to put Christ at the centre of our community.

In loving and serving God and one another, we encourage everyone to flourish through learning.

Our Focus Virtues

Virtues are qualities that we practise in order to help us become the best version of ourselves.

Chaplaincy Review

We have had a very faith-filled, busy year in the Catholic life of the school. Here are a few highlights of the events, visits and special guests who have played a part in putting Christ at the centre of our community. Many thanks to Fr John for his service to All Saints.

Lourdes 2025

They say a picture paints a thousand words and we certainly took many pictures whilst on pilgrimage this year. Our group of twenty-two dedicated students and two staff really threw themselves into the challenge of supporting the assisted pilgrims over the week and making the most of the faith filled opportunities. We led the low stations this year, with students leading the prayers and relating the life of St Bernadette to the particular station.

The prayers of our community and parishes were placed in the grotto and carried in our hearts throughout the week, and symbolically marked by the lighting of a candle near the grotto.

We met lots of lovely people and heard their stories of previous visits to Lourdes and what a special place it is for them.

This year, we took a walking tour and learned much more about the life of St Bernadette. Our pilgrimage was enhanced by the amazing singing of the Diocese of Leeds Choir of Bradford and Huddersfield, who joined us for a few days to perform in the Masses and services before travelling on to Paris to sing in Notre Dame Cathedral.

Take a look at [leeds_youth](#) on Instagram for a review of all we did.

Preparations for Lourdes 2026 are already underway, and we will be accepting expressions of interest in September from Year 10 students.

Our Lady of Lourdes Pray for us

School Uniform and other updates

School Uniform

To support families with the cost of school uniform, please see vouchers enclosed in this newsletter for both uniform shops stocking the All Saints blazer and tie. Badged PE kit is also available, but as per our [All Saints Uniform Guidance](#), plain black PE items can be sourced from other retailers.

Uniform Exchange offer free school uniform items, when stock is available, ranging from blazers, to coats, shoes and pencil cases. Uniform can be requested via their website: [Free School Uniform](#). They also accept donations of all uniform items - please contact them directly for more details. (See page 9)

Shoes - please be aware, we have updated our school shoe policy as follows:

Wear plain black, smart leather school-type shoes. Sensible shoes remain essential for the safety of students and slip on 'ballet-style' or 'holiday' footwear is not appropriate in College. Fashion shoes, pumps, boots, crocs, trainers or sport-branded shoes are not acceptable. Any **sport-branded footwear will not be accepted**.

A visual guide can be found on our website: [School Shoe Guide](#)

School Meals

From September 2025, the price of a school lunch will be £3 per day. If you feel your circumstances have changed and you wish to check your eligibility for free school meal (FSM) provision, please contact Kirklees via [Kirklees - Free School Meals](#).

National Breakfast Programme

We are delighted to share with you that we have again successfully secured the breakfast offer to all students for the new academic year.

All students can access a free toasted bagel before school.

Please remind your child that these are available from the glass canopy on the dining room yard BEFORE school. This offer is only available at this time and payment for any additional purchases at breaktime would be required.

A reminder that due to this being a free offer, it is parental responsibility to check the ingredients for any specific allergies/dietary conditions. Full ingredients of the bagels can be found on our website: [National-Breakfast-Programme-offer-to-all-students.pdf](#).

Catering staff will continue to use the same spread on the bagels that they use in all their recipes during break and lunchtimes.

School Transport

From September, inline with the newly extended school day, the school bus services will collect students at 3:20pm. This is with the exception of the C78 Calderdale service which will collect students at 3:40pm.

A polite reminder that the **Metro card is valid on Kirklees bus services only**. Students using the **K65 Calderdale service must purchase an All Saints Weekly ticket or pay per journey on the bus**. Further details on how to purchase the weekly ticket can be found here: [Transport Services - All Saints Catholic College](#) (under the Halifax Services section).

Free School Uniform

Uniform Exchange is a community project set up to make sure every child in Kirklees has access to free school uniform if they need it.

Unfortunately, countless tonnes of uniform are being thrown into landfill in Kirklees every year.

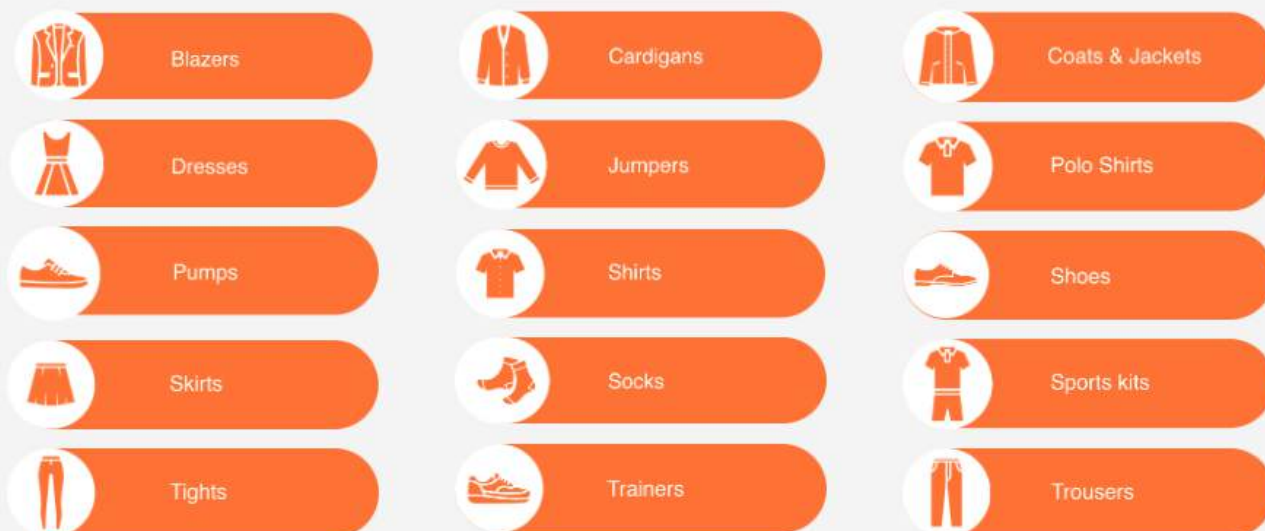

Making a positive impact on the environment and supporting those families struggling due to the cost-of-living crisis, Uniform Exchange welcomes donations of all uniform items, including shoes and coats, and anything else a child might need for school.

All items are checked for quality and cleanliness so you can be sure all items will be in good condition.

Items are provided dependent on stock availability.

For more information or to request free uniform items, please visit [Uniform Exchange - Free School Uniform](#)

What we supply to families

Can you help us?

Send your outgrown school uniform, shoes and coats to us.

Please donate absolutely ANYTHING a child needs for school – uniform, coats, hats, gloves, scarves, PE kits, tights, shoes, trainers, football boots, pencil cases, maths sets ... everything.

It's estimated that almost 700 tonnes of school uniform is worn by children in Kirklees schools every year with only around 50 tonnes coming to Uniform Exchange so far too much must still be going to landfill. Help us to keep ALL uniform out of Kirklees rubbish tips by donating yours.

Year 11 Prom

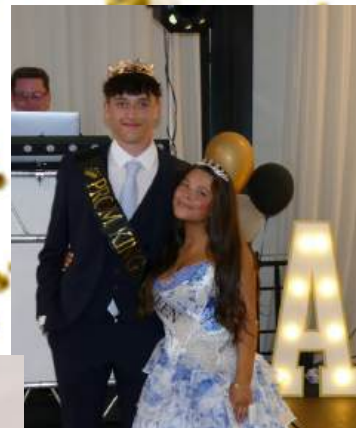

Year 11 students, along with staff, enjoyed this year's prom, when it took place at the (formerly named) John Smith's Stadium last month.

To celebrate the end of their exams, and their five years at All Saints, students arrived dressed in their finery to spend the evening together as a year group.

Food, photos and dancing were the order of the evening, with both staff and students enjoying some much deserved post-exam downtime.

With huge thanks to Mrs Deighton and Mrs Pearce for organising a wonderful event, and a special mention to Mrs Hennigan for making the impressive AS25 lit-up signage!

GRIT Course - Part 1

Some of our Key Stage 3 students are attending a G.R.I.T. (Gaining Resilience In Teamwork) course with West Yorkshire Fire and Rescue Service at Huddersfield Fire Station.

This programme encourages young people to work together to achieve, and the high energy course uses practical challenges to develop and stretch students' ability to work together.

Students are involved with classroom-based exercises and activities which take place outside. The students have been fabulous and have really got stuck in with the activities offered.

Students have learned how to take the ladder off a fire engine, carry it and position it safely, as well as climb up it and put a leg lock in place. They have also used the ladder to get into a training tower.

Once inside the tower the floors are reached by metal ladders, and all students continued up these ladders to the top.

There was some nervousness and doubts from a few students - one of which was adamant that they weren't going to the top of the first ladder but absolutely smashed it by going all the way to the top and back down again after a bit of reassurance was given.

All students supported each other with the activities and were all supported by PC Sally Baines who was also present.

GRIT Course - Part 2

During this session on the G.R.I.T. course, the classroom-based session was on RTCs and the Fatal 5. Students watched a road safety video which showed the importance of wearing a seat belt in the car.

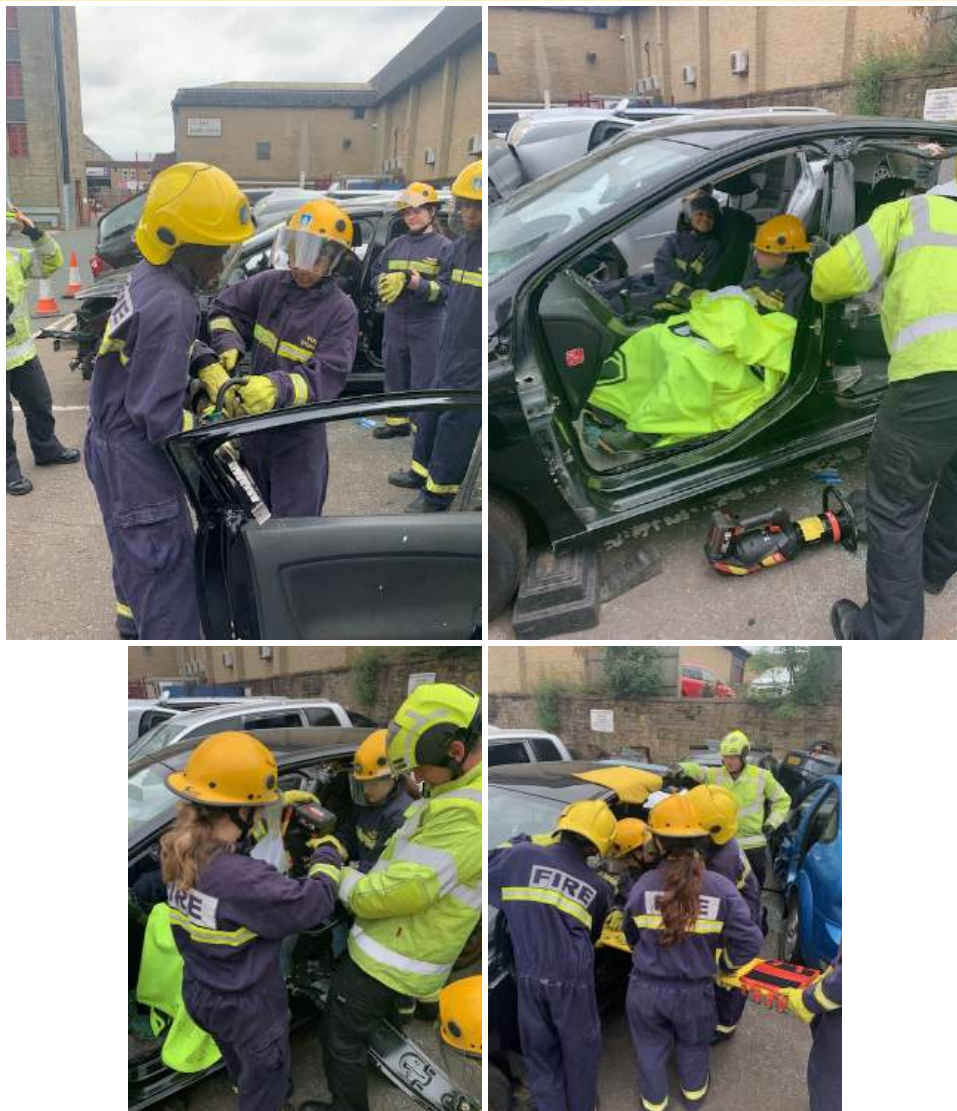

Outside activities included using the cutting equipment (aka The Jaws of Life) which were tested on some old car doors - this was apparently a lot harder than it looked. Support was needed for the smaller members of the group to hold it, but everyone pitched in.

The group were involved in a scenario where they had to take the but between two doors off and take a casualty out of the car. The students took it in turns to do various roles - the casualty, person sat next to them comforting them and telling them what was going on, someone holding the casualty's neck straight, holding equipment to shield the casualty's face, and cutting off the bit of the car.

They then brought the casualty out on a spinal board and took them away to safety.

Some really great work from the group with some notable efforts from the group who showed great skills with the cutting equipment, as team leaders, acting as casualties and comforting the casualties. One student in particular was fabulous at all the practical elements involved.

The group have become really comfortable with what they are doing on the course and as part of the expectations that are discussed each week, and they are all aware of the importance of communication to support the activities that they are involved in.

Spanish

Year 8 students have been exploring Spanish surrealist art and have recently created their own version of the art work inspired by Joan Miró.

The students presented the paintings in front of their peers and talked in Spanish about various shapes and colours they used.

Science - Big Bang

The science department have had another successful trip to the Big Bang science festival at the Birmingham NEC on 19th June.

This is the United Kingdom's largest celebration of STEM (science, technology, engineering and maths) for young people, and is one of the largest youth events in the UK.

It was fantastic to hear our wonderful Year 8s singing on the coach as we headed down, full of enthusiasm and excitement for what was to come.

Once there, they dived straight in and engaged in over 70 hands-on activities brought to them by many universities and companies, including Rolls Royce, National Grid, Warwick University and Specsavers. They also chatted to 'real life' scientists and engineers about what they do and how they get inspired.

It was fantastic to see our students joining in and getting on stage. A member of the Big Bang team let us know how our students stood out with their 'fantastic scientific knowledge and in depth questioning' which made us proud - well done Year 8!

We are already looking forward to Big Bang 2026!

Information

Become a part of our College alumni!

Did you attend All Saints Catholic College? Then we would like to hear from you.

Please take 2 minutes to complete this form <https://forms.office.com/e/Wb7st184xB>

Would you like your child to have the opportunity to learn the flute, oboe, clarinet, bassoon or saxophone (all available to borrow)?

Lessons are available at school with a qualified and experienced teacher from Musica Kirklees.

You can access an application form by following this link: [Music Tuition - Musica Kirklees](#), by contacting Musica Kirklees on 01484 426426 or by visiting the Musica Kirklees website [Musica Kirklees | Kirklees Music Education Hub](#).

Congratulations to our student, Sofia Pazdur, who recently won a nationwide competition for Slovak Juniors, and became Junior Ambassador of European Parliament at the Slovak School and Community Manchester.

Sofia received a certificate, seen above, and other prizes for her charitable contributions and academic results.

She is pictured above with Leena Maria Linnus, Head of the European Parliament Liaison Office in the UK, at the Ambassador School Graduation Ceremony.

Parent Survey Feedback

Thank you to all parents/carers who have participated in this year's various surveys.

We truly value hearing the feedback and suggestions that you share with us. It is wonderful to hear your positive experiences and we ensure positive comments are passed on to relevant staff and departments.

We review all suggestions to help us improve and evolve our practices, where possible.

Please find a summary of changes we are making, based on your feedback, below.

Parents Evening Surveys (all year groups across the academic year)

A number of concerns were raised about the current appointment structure. To support with your concerns moving forward, teachers will call out the names of parents in order of appointments to ensure we can stick to the schedule as far as possible.

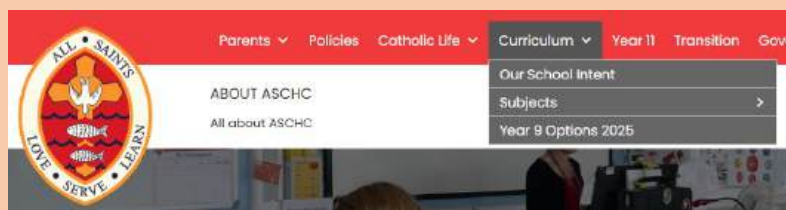

Some questions were also asked about what to do when appointments could not be made - either because there were none available or because the member of staff was absent. We invite all parents to request either a phone call or an email to update you on your child's progress from their class teacher if you have been unable to book an appointment, or a booked appointment is cancelled due to teacher absence.

Parent Survey May 2025

We have updated our policy to ensure the requirements around school shoes are clearer. More information can be found on page 6 of this newsletter.

We share data three times a year to update you on your child's academic and pastoral experience, if any parent would like additional feedback, you are warmly invited to contact the relevant class teachers, learning tutor or achievement coordinator.

We have reviewed our homework policy for September 2025, following queries from parents about how to find out what homework their child has been set and what they can do to support their child to complete this. Homework is always connected to the curriculum, the curriculum map for each subject (outlining what is taught and when) is available on the school website in the curriculum area.

We do our best to minimise the use of supply teachers, but there are times this is unavoidable. All supply staff are inducted before they begin the school day, this covers our teaching and learning expectations and how to implement our Positive Discipline policy.

Attendance Matters!

We are proud to share with you the 2 attendance awards below that we have once again received for the high levels of our student attendance.

We thank our colleagues involved with attendance for their continued commitment to liaising with families to promote the importance of attendance at school, and parents/carers for ensuring your children are attending.

Careers Fair 2025

During our Careers Fair this June, Year 9 and Year 10 students enjoyed the opportunity to meet and talk with representatives from the following institutes:

The University of Huddersfield, University of Bradford, Huddersfield New College, Greenhead College, Creative and Media Studio, Kirklees College, LLS Sports Sixth Form, Trinity Sixth Form Academy, Calderdale College.

They also met with a number of local employers and training providers including:

Yorkshire Learning Provider-Apprenticeships, The Link Academy, NHS, RAF, Robertson Construction, British Army, Learning Curve, Civil Service and the Learning Curve.

It was a thoroughly enjoyable experience for both students and the exhibitors.

The feedback from the exhibitors about the students from All Saints was extremely positive with comments including:

‘The students were engaging, asked lots of questions, very enthusiastic.’

‘The students were very confident at coming to ask.’

‘The students were all very polite and well behaved, and asked fantastic questions, absolutely no complaints about the students.’

‘The students were engaged and asked some good questions.’

‘I had some very engaging conversations with some students.’

‘The event was well organised and the students were keen to speak and ask questions.’

The Careers Fair helped to familiarise students with possible routes for post-16 where they obtained information, advice and guidance about career ideas for the future. It was an ideal way for them to gain insight and inspiration as to what they may want to do when they leave All Saints.

We are extremely grateful to all the providers who gave up their time to support the event and ensure that students could engage well on the day and make the most of their time with the exhibitors.

Community Activities

During the April, Summer and Winter school holidays there are thousands of funded and low cost places for children and young people at sessions delivered across Kirklees. Each session includes a healthy nutritious meal. Funded places are prioritised for children and young people who are eligible for benefits related free school meals.

To find out about the activities please visit the Schools Out website (google Kirklees Schools Out or visit www.schoolsoutkirklees.co.uk). Alternatively you can scan the QR code below.

COUNCIL

Facility Hire

We wanted to highlight that the school's facilities are available for hire by the local community during evening, weekend and school holiday periods.

To view the spaces or make bookings/enquiries just visit www.actihire.org.uk and click 'Book a Partner School'. Actihire are the schools' lettings management partner and our spaces are available 7 days a week all year round – if you're part of a local club or group why not base your sessions at our school!

Facilities available 7 days a week at All Saints Catholic College – to book visit www.actihire.org.uk, email bookings@actihire.org.uk or text 07401184541.

EduLink One Communication

A polite reminder of our preferred communication channel between parents/carers and the school. This system allows us to support you in monitoring your child's progress, updating us with contact and medical information, receiving communications from school, booking after-school activities, and most recently, booking appointments for parents' evenings.

The transition to EduLink One has been success although we still have a small number of parents/carers who are yet to activate their account. We encourage you to do this as soon as possible to ensure you are not missing out on important information and opportunities for your children.

EduLink One is free to access on any modern web enabled device, either via www.edulinkone.com on a web browser on PCs, laptops, tablets and mobile devices or, with the dedicated app on Android or iOS.

You are eligible to access EduLink One if you are a parent/carer with parental responsibility for a student at All Saints Catholic College. If you have more than one child at the school, you will only require one account. You will need the following information to log in:

School ID	You can either use ASCC or HD22JT
Username	You will receive an email with your username details.
Password	You can change your password once you have logged in.

Log in details have been sent to the email address you have already provided to school from edulink@aschc.com. Please check your junk mail if you have not received this.

A Parent Guide for using EduLink, along with links to videos, are available on our website, <https://www.aschc.com/edulink-one-parents-guide/>.

If you require any support or advice getting EduLink One setup, please email:
edulink@aschc.com.

You can access your child's details, timetable, attendance, behaviour, achievement points, book your parent evening appointments and secure your child's after-school club place(s). All messages, notifications and emails are now sent to parents/carers through EduLink. Please ensure you turn on notifications for the app to ensure you do not miss any messages. Only urgent whole school messages will be sent by text, all other messages will be sent as push notifications through the app - these will appear as pop-ups on your device.

The only other service parents/carers will need to make use of is ParentPay for paying for school lunches, trips and purchasing other items such as ties, calculators and revision materials.

Students can now access this system with their own school log in details, but cannot use this to secure their place for after-school clubs and events. This must be done by a parent/carer using their own log in details.
