There is usually a lot of competition for jobs in the creative industries

In some of these jobs you work Monday to Friday, 9am-5pm, others may involve some evening and weekend work

Many people working in jobs related to art and design are self-employed or freelance

Being creative and able to think of new ways of doing things are useful skills to have for most jobs related to art and design

Remember: It is important to study a broad and balanced range of subjects. Look at <https://nationalcareers.service.gov.uk/explore-careers> for more information about different jobs.
