The performing arts is an important sector in the UK, contributing billions of pounds to the economy every year

Most jobs in the sector involve working weekends, evenings and unsocial hours

More than two-thirds of people working in the performing arts in the UK are self-employed

A career in the performing arts requires lots of talent, ambition and resilience

Remember: It is important to study a broad and balanced range of subjects. Look at <https://nationalcareers.service.gov.uk/explore-careers> for more information about different jobs.
