ALL SAINTS CATHOLIC COLLEGE Provider Access Policy

Mission Statement

At All Saints Catholic College, our mission is to put Christ at the centre of our community. In loving and serving God and one another, we encourage everyone to flourish through learning.

We live out our mission statement by practising the virtues of:

LOVE: To do everything for God, for others and for self with kindness

SERVICE: To work together for the benefit of everyone

FAITH: To be guided by the faith in all that we do, trusting in God

COURAGE: Doing the right thing even when it is difficult

RESPECT: To have respect for ourselves, each other, and our environment

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training courses and opportunities.

This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student Entitlement

Students in Years 7 to 11 are entitled to: -

- Find out about technical education qualifications and apprenticeship opportunities as part of the careers programme, which provides information on the full range of education and training options available at each transition point.
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships.
- Understand how to make applications for the full range of academic and technical courses.

For students of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for students during the 'first key phase' (Years 7 to 9) and two encounters for students during the 'second key phase' (Years 10 to 11).

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers.
- explain what career routes those options could lead to.
- provide insights into what it might be like to train with that provider (including the opportunity to meet staff and students from the provider).
- answer questions from students.

ALL SAINTS CATHOLIC COLLEGE Provider Access Policy

Management of Provider Access Requests
